

(2) To establish and maintain—

(A) a widely accessible unclassified data base of information and assessments regarding foreign science and technology activities that involve defense critical technologies, including, especially, activities in Europe and in Pacific Rim countries; and

(B) a classified data base of information and assessments regarding such activities.

(3) To perform liaison activities among the military departments, Defense Agencies, and other appropriate elements of the Department of Defense, with appropriate agencies and offices of the Department of Commerce and the Department of State, and with other departments and agencies of the Federal Government in order to ensure that significant activities in research, development, and applications of defense critical technologies are identified, monitored, and assessed by an appropriate department or agency of the Federal Government.

(4) To ensure the maximum practicable public availability of information and assessments contained in the unclassified data bases established pursuant to paragraph (2)—

(A) by limiting, to the maximum practicable extent, restrictive classification of such information and assessments; and

(B) by disseminating to the National Technical Information Service of the Department of Commerce information and assessments regarding defense critical technologies having potential commercial uses.

(5) To disseminate through the National Technical Information Service of the Department of Commerce unclassified information and assessments regarding defense critical technologies having potential commercial uses so that such information and assessments may be further disseminated within the Federal Government and to the private sector.

§ 2518. Overseas foreign critical technology monitoring and assessment financial assistance program

(a) ESTABLISHMENT AND PURPOSE OF PROGRAM.—The Secretary of Defense may establish

a foreign critical technology monitoring and assessment program. Under the program, the Secretary may enter into cooperative arrangements with one or more eligible not-for-profit organizations in order to provide financial assistance for the establishment of foreign critical technology monitoring and assessment offices in Europe, Pacific Rim countries, and such other countries as the Secretary considers appropriate.

(b) ELIGIBLE ORGANIZATIONS.—Any not-for-profit industrial or professional organization that has economic and scientific interests in research, development, and applications of dual-use critical technologies is eligible to enter into a cooperative arrangement referred to in subsection (a).

(Added Pub. L. 102-190, div. A, title VIII, §821(a), Dec. 5, 1991, 105 Stat. 1431, §2526; renumbered §2518, Pub. L. 102-484, div. D, title XLII, §4228, Oct. 23, 1992, 106 Stat. 2685.)

PRIOR PROVISIONS

A prior section 2518 was renumbered section 2522 of this title and subsequently repealed.

AMENDMENTS

1992—Pub. L. 102-484 renumbered section 2526 of this title as this section.

§ 2519. Federal Defense Laboratory Diversification Program

(a) ESTABLISHMENT OF PROGRAM.—The Secretary of Defense shall conduct a program in accordance with this section for the purpose of promoting cooperation between Department of Defense laboratories and industry on research and development of dual-use technologies in order to further the national security objectives set forth in section 2501(a) of this title.

(b) PARTNERSHIPS.—(1) The Secretary shall provide for the establishment under the program of cooperative arrangements (hereinafter in this section referred to as “partnerships”) between a Department of Defense laboratory and eligible firms and nonprofit research corporations. A partnership may also include one or more additional Federal laboratories, institutions of higher education, agencies of State and local governments, and other entities, as determined appropriate by the Secretary.

(2) For purposes of this section, a federally funded research and development center shall be considered a Department of Defense laboratory if the center is sponsored by the Department of Defense.

(c) ASSISTANCE AUTHORIZED.—(1) The Secretary may make grants, enter into contracts, enter into cooperative agreements and other transactions pursuant to section 2371 of this title, and enter into cooperative research and development agreements under section 12 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3710a) in order to establish partnerships.

(2) Subject to subsection (d), the Secretary may provide a partnership with technical and other assistance in order to facilitate the achievement of the purpose of this section.

(d) FINANCIAL COMMITMENT OF NON-FEDERAL GOVERNMENT PARTICIPANTS.—(1) The Secretary
