§ 2801. Scope of chapter; definitions

(a) The term “military construction” as used in this chapter or any other provision of law includes any construction, development, conversion, or extension of any kind carried out with respect to a military installation, whether to satisfy temporary or permanent requirements, or any acquisition of land or construction of a defense access road (as described in section 210 of title 23).

(b) A military construction project includes all military construction work, or any contribution authorized by this chapter, necessary to produce a complete and usable facility or a complete and usable improvement to an existing facility (or to produce such portion of a complete and usable facility or improvement as is specifically authorized by law).

(c) In this chapter and chapter 173 of this title:

(1) The term “appropriate committees of Congress” means the congressional defense committees and, with respect to any project to be carried out by, or for the use of, an intelligence component of the Department of Defense, the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate.

(2) The term “facility” means a building, structure, or other improvement to real property.

(3) The term “life-cycle cost-effective”, with respect to a project, product, or measure, means that the sum of the present values of investment costs, capital costs, installation costs, energy costs, operating costs, maintenance costs, and replacement costs, as estimated for the lifetime of the project, product, or measure, does not exceed the base case (current or standard) for the practice, product, or measure.

(4) The term “military installation” means a base, camp, post, station, yard, center, or other activity under the jurisdiction of the Secretary of a military department or, in the case of an activity in a foreign country, under

the operational control of the Secretary of a military department or the Secretary of Defense, without regard to the duration of operational control.

(5) The term “Secretary concerned” includes the Secretary of Defense with respect to matters concerning the Defense Agencies.

(d) This chapter (other than sections 2830, 2835, and 2836 of this chapter) does not apply to the Coast Guard or to civil works projects of the Army Corps of Engineers.

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 2802. Military construction projects

(a) The Secretary of Defense and the Secretaries of the military departments may carry out such military construction projects, land acquisitions, and defense access road projects (as described under section 210 of title 23) as are authorized by law.

(b) Authority provided by law to carry out a military construction project includes authority for—

- (1) surveys and site preparation;
- (2) acquisition, conversion, rehabilitation, and installation of facilities;
- (3) acquisition and installation of equipment and appurtenances integral to the project;
- (4) acquisition and installation of supporting facilities (including utilities) and appurtenances incident to the project; and
- (5) planning, supervision, administration, and overhead incident to the project.

(c) In determining the scope of a proposed military construction project, the Secretary concerned shall submit to the President such recommendations as the Secretary considers to be appropriate regarding the incorporation and inclusion of life-cycle cost-effective practices as an element in the project documents submitted to Congress in connection with the budget submitted pursuant to section 1105 of title 31 for the fiscal year in which a contract is proposed to be awarded for the project.

(d)(1) The requirement under subsection (a) that a military construction project must be au-

thorized by law includes military construction projects funded through payment-in-kind contributions pursuant to a bilateral agreement with a host country.

(2) The Secretary of Defense or the Secretary concerned shall include military construction projects covered under paragraph (1) in the budget justification documents for the Department of Defense submitted to Congress in connection with the budget for a fiscal year submitted under 1105 of title 31.

(3) This subsection does not apply to a military construction project that—

(A) was specified in a bilateral agreement with a host country that was entered into prior to the date of the enactment of the Military Construction Authorization Act for Fiscal Year 2014;

(B) was accepted as payment-in-kind for the residual value of improvements made by the United States at military installations released to the host country under section 2921 of the Military Construction Authorization Act for Fiscal Year 1991 (division B of Public Law 101-510; 10 U.S.C. 2687 note) prior to the date of the enactment of the Military Construction Authorization Act for Fiscal Year 2014; or

(C) will cost less than the cost specified in subsection (a)(2) of section 2805 of this title for certain unspecified minor military construction projects.

(4) In the case of a military construction project excluded pursuant to paragraph (3)(C) whose cost will exceed the cost specified in subsection (b) of section 2805 of this title for certain unspecified minor military construction projects, the congressional notification requirements and waiting period specified in paragraph (2) of such subsection shall apply.

(e)(1) If a construction project, land acquisition, or defense access road project described in paragraph (2) will be carried out pursuant to a provision of law other than a Military Construction Authorization Act, the Secretary concerned shall—

(A) comply with the congressional notification requirement contained in the provision of law under which the construction project, land acquisition, or defense access road project will be carried out; or

(B) in the absence of such a congressional notification requirement, submit to the congressional defense committees, in an electronic medium pursuant to section 480 of this title, a report describing the construction project, land acquisition, or defense access road project at least 15 days before commencing the construction project, land acquisition, or defense access road project.

(2) Except as provided in paragraph (3), a construction project, land acquisition, or defense access road project subject to the notification requirement imposed by paragraph (1) is a construction project, land acquisition, or defense access road project that—

(A) is not specifically authorized in a Military Construction Authorization Act;

(B) will be carried out by a military department, Defense Agency, or Department of Defense Field Activity; and
