AMENDMENTS

2014—Pub. L. 113-291 amended section generally. Prior to amendment, text read as follows:

“(a) AUTHORITY TO USE.—The Secretary concerned may use one-step turn-key selection procedures for the purpose of entering into contracts for the construction of authorized military construction projects.

“(b) DEFINITION.—In this section, the term ‘one-step turn-key selection procedures’ means procedures used for the selection of a contractor on the basis of price and other evaluation criteria to perform, in accordance with the provisions of a firm fixed-price contract, both the design and construction of a facility using performance specifications supplied by the Secretary concerned.”

1991—Pub. L. 102-190 redesignated par. (1) of subsec. (a) as entire subsec. (a) and inserted heading, redesignated par. (2) of subsec. (a) as (b), inserted heading, and struck out former subsecs. (b) and (c) which read as follows:

“(b) The Secretary of Defense, with respect to any Defense Agency, or the Secretary of a military department may not, during any fiscal year, enter into more than three contracts for military construction projects using procedures authorized by this section.

“(c) The authority under this section shall expire on October 1, 1991.”

1989—Subsec. (a)(1). Pub. L. 101-189, §2806(1), struck out at end “Such procedures may be used by the Secretary of a military department only with the approval of the Secretary of Defense.”

Subsec. (c). Pub. L. 101-189, §2806(2), substituted “1991” for “1990”.

1987—Subsec. (a)(1). Pub. L. 100-180, §2301(1), substituted “The Secretary concerned” for “The Secretaries of the military departments, with the approval of the Secretary of Defense,” and inserted provision at end that such procedures may be used by the Secretary of a military department only with the approval of the Secretary of Defense.

Subsec. (a)(2). Pub. L. 100-26 inserted “the term” after “In this section.”

Subsec. (b). Pub. L. 100-180, §2301(2), inserted “Secretary of Defense, with respect to any Defense Agency, or the” after “The”.

EFFECTIVE DATE

Pub. L. 99-167, title VIII, §807(c), Dec. 3, 1985, 99 Stat. 989, provided that: “The amendments made by this section [enacting this section] shall take effect on October 1, 1986.”

§ 2863. Payment of contractor claims

Notwithstanding any other provision of law, the Secretary concerned may pay meritorious contractor claims that arise under military construction contracts or family housing contracts. The Secretary of Defense, with respect to a Defense Agency, or the Secretary of a military department may use for such purpose any unobligated funds appropriated to such department and available for military construction or family housing construction, as the case may be.

(Added Pub. L. 100-180, div. B, subdiv. 3, title I, §2303(a), Dec. 4, 1987, 101 Stat. 1215.)

§ 2864. Master plans for major military installations

(a) PLANS REQUIRED.—(1) At a time interval prescribed by the Secretary concerned (but not less frequently than once every 10 years), the commander of each major military installation under the jurisdiction of the Secretary shall ensure that an installation master plan is developed to address environmental planning, sustainable design and development, sustainable range planning, real property master planning, and transportation planning.

(2) To address the requirements under paragraph (1), each installation master plan shall include consideration of—

(A) planning for compact and infill development;

(B) horizontal and vertical mixed-use development;

(C) the full lifecycle costs of real property planning decisions; and

(D) capacity planning through the establishment of growth boundaries around cantonment areas to focus development towards the core and preserve range and training space.

(b) TRANSPORTATION COMPONENT.—(1) The transportation component of the master plan for a major military installation shall be developed and updated in consultation with the metropolitan planning organization designated for the metropolitan planning area in which the military installation is located.

(2) To address the requirements under subsection (a) and paragraph (1), each installation master plan shall include consideration of ways to diversify and connect transit systems.

(c) SAVINGS CLAUSE.—Nothing in this section shall supersede the requirements of section 2859(a) of this title.

(d) DEFINITIONS.—In this section:

(1) The term “major military installation” has the meaning given to the term “large site” in the most recent version of the Department of Defense Base Structure Report issued before the time interval prescribed for development of installation master plans arises under subsection (a).

(2) The terms “metropolitan planning area” and “metropolitan planning organization” have the meanings given those terms in sec-

tion 134(b) of title 23 and section 5303(b) of title 49.

(Added Pub. L. 112-239, div. B, title XXVIII, §2802(a), Jan. 2, 2013, 126 Stat. 2147; amended Pub. L. 113-66, div. B, title XXVIII, §2811, Dec. 26, 2013, 127 Stat. 1013.)

B, title XXVIII, §2812(a), Nov. 24, 2003, 117 Stat. 1602, 1725, related to energy savings at military installations.

§ 2866. Water conservation at military installations

(a) WATER CONSERVATION ACTIVITIES.—(1) The Secretary of Defense shall permit and encourage each military department, Defense Agency, and other instrumentality of the Department of Defense to participate in programs conducted by a utility for the management of water demand or for water conservation.

(2) The Secretary of Defense may authorize a military installation to accept a financial incentive (including an agreement to reduce the amount of a future water bill), goods, or services generally available from a utility, for the purpose of adopting technologies and practices that—

(A) relate to the management of water demand or to water conservation; and

(B) as determined by the Secretary, are cost effective for the Federal Government.

(3) Subject to paragraph (4), the Secretary of Defense may authorize the Secretary of a military department having jurisdiction over a military installation to enter into an agreement with a utility to design and implement a cost-effective program that provides incentives for the management of water demand and for water conservation and that addresses the requirements and circumstances of the installation. Activities under the program may include the pro-

vision of water management services, the alteration of a facility, and the installation and maintenance by the utility of a water-saving device or technology.

(4)(A) If an agreement under paragraph (3) provides for a utility to pay in advance the financing costs for the design or implementation of a program referred to in that paragraph and for such advance payment to be repaid by the United States, the cost of such advance payment may be recovered by the utility under terms that are not less favorable than the terms applicable to the most favored customer of the utility.

(B) Subject to the availability of appropriations, a repayment of an advance payment under subparagraph (A) shall be made from funds available to a military department for the purchase of utility services.

(C) An agreement under paragraph (3) shall provide that title to a water-saving device or technology installed at a military installation pursuant to the agreement shall vest in the United States. Such title may vest at such time during the term of the agreement, or upon expiration of the agreement, as determined to be in the best interests of the United States.

(b) USE OF FINANCIAL INCENTIVES AND WATER COST SAVINGS.—(1) Financial incentives received from utilities for management of water demand or water conservation under subsection (a)(2) shall be credited to an appropriation designated by the Secretary of Defense. Amounts so credited shall be merged with the appropriation to which credited and shall be available for the same purposes and the same period as the appropriation with which merged.

(2) Water cost savings realized under subsection (a)(3) shall be used as follows:

(A) One-half of the amount shall be used for water conservation activities at such buildings, facilities, or installations of the Department of Defense as may be designated (in accordance with regulations prescribed by the Secretary of Defense) by the head of the department, agency, or instrumentality that realized the water cost savings.

(B) One-half of the amount shall be used at the installation at which the savings were realized, as determined by the commanding officer of such installation consistent with applicable law and regulations, for—

(i) improvements to existing military family housing units;

(ii) any unspecified minor construction project that will enhance the quality of life of personnel; or

(iii) any morale, welfare, or recreation facility or service.

(3) The Secretary of Defense shall include in the budget material submitted to Congress in connection with the submission of the budget for a fiscal year pursuant to section 1105 of title 31 a separate statement of the amounts available for obligation under this subsection in that fiscal year.

(c) WATER CONSERVATION CONSTRUCTION PROJECTS.—(1) The Secretary of Defense may carry out a military construction project for water conservation, not previously authorized, using funds appropriated or otherwise made
