In carrying out the pilot program, the Secretary may use articles manufactured

at, and services provided by, not more than three Army industrial facilities, except that during fiscal year 2002 the Secretary may only use articles manufactured at, and services provided by, not more than one Army industrial facility.

“(b) TEMPORARY WAIVER OF REQUIREMENT FOR DETERMINATION OF UNAVAILABILITY FROM DOMESTIC SOURCE.—Under the pilot program, the Secretary of the Army is not required under section 4543(a)(5) of title 10, United States Code, to determine whether an article or service is available from a commercial source located in the United States in the case of any of the following sales for which a solicitation of offers is issued during the period during which the pilot program is being conducted:

“(3) The Inspector General’s views regarding the effect of the waiver under subsection (b) on the ability of small businesses to compete for the sale of manufactured articles or services in the United States in competitions to enter into or participate in contracts and teaming arrangements under weapon system programs of the Department of Defense.

“(5) Any other information that the Inspector General considers pertinent regarding the effects of the waiver of section 4543(a)(5) of title 10, United States Code, under the pilot program on opportunities for United States manufacturers, assemblers, developers, or other concerns, and for Army industrial facilities, to enter into or participate in contracts and teaming arrangements under weapon system programs of the Department of Defense.
