§ 1747l. Definitions

The following terms shall have the meanings, respectively, ascribed to them below, and, unless the context clearly indicates otherwise, shall include the plural as well as the singular number:

(a) “Investor” shall mean (1) any natural person; (2) any group of not more than ten natural persons; (3) any corporation, company, association, trust, or other legal entity; or (4) any combination of two or more corporations, companies, associations, trusts, or other legal entities, having all the powers necessary to comply with the requirements of this subchapter, which the Secretary (i) shall find to be qualified by business experience and facilities, to afford assurance of the necessary continuity of long-term investment, and to have available the necessary capital required for long-term investment in the project, and (ii) shall approve as eligible for insurance under this subchapter.

(b) “Project” shall mean a project (including all property, real and personal, contracts, rights, and choses in action acquired, owned, or held by the investor in connection therewith) of an investor designed and used primarily for the purpose of providing dwellings the occupancy of which is permitted by the investor in consideration of agreed charges: *Provided*, That nothing in this subchapter shall be construed as prohibiting the inclusion in a project of such stores, offices, or other commercial facilities, recreational or community facilities, or other nondwelling facilities as the Secretary shall determine to be necessary or desirable appurtenances to such project.

(c) “Estimated investment” shall mean the estimated cost of the development of the project, as stated in the application submitted to the Secretary for insurance under this subchapter.

(d) “Established investment” shall mean the amount of the reasonable costs, as approved by the Secretary, incurred by the investor in, and necessary for, carrying out all works and undertakings for the development of a project and shall include the premium charge for the first operating year and the cost of all necessary surveys, plans and specifications, architectural, engineering, or other special services, land acquisition, site preparation, construction, and equipment; a reasonable return on the funds of the investor paid out in the course of the development of the project, up to and including the initial occupancy date; necessary expenses in connection with the initial occupancy of the project; and the cost of such other items as the Secretary shall determine to be necessary for the develop-
