

AMENDMENTS

2006—Subsec. (c). Pub. L. 109-351, § 608(b)(1), inserted “and section 1464(i)(5) of this title” after “section 1815(d) of this title” in introductory provisions.

Subsec. (c)(2). Pub. L. 109-351, § 608(b)(2), which directed insertion of “or Federal” after “insured State,” was executed by making the insertion after “insured State”, to reflect the probable intent of Congress.

1992—Subsec. (b). Pub. L. 102-550 amended directory language of Pub. L. 102-242, § 115(b). See 1991 Amendment note below.

1991—Subsec. (b). Pub. L. 102-242, § 115(b), as amended by Pub. L. 102-550, § 1603(b)(6), amended subsec. (b) generally, substituting present provisions for provisions which related to certification by other banking agencies.

1989—Pub. L. 101-73, § 201(a), substituted references to insured depository institutions for references to insured banks wherever appearing.

Subsec. (a). Pub. L. 101-73, § 205(1), inserted heading, designated existing provisions as par. (1), inserted par. (1) heading, and substituted “Each bank” for “Every bank”, and added par. (2).

Subsec. (b). Pub. L. 101-73, § 205(2)(A), (B), inserted after first sentence “Any application or notice for membership or to commence or resume business shall be promptly provided by the appropriate Federal banking agency to the Corporation and the Corporation shall have a reasonable period of time to provide comments on such application or notice. Any comments submitted by the Corporation to the appropriate Federal banking agency shall be considered by such agency.” and struck out at end “A State bank, resulting from the conversion of an insured national bank, shall continue as an insured bank. A State bank, resulting from the merger or consolidation of insured banks, or from the merger or consolidation of a noninsured bank or institution with an insured State bank, shall continue as an insured bank.”

Pub. L. 101-73, § 205(2)(C), which directed the amendment of subsec. (b) by substituting “(b) CERTIFICATION BY OTHER BANKING AGENCIES.—Every national bank” for “(b) Every national bank” could not be executed literally because the original read “(b) Every national member bank”, but was executed by inserting the heading without changing the text to reflect the probable intent of Congress.

Subsec. (c). Pub. L. 101-73, § 205(3), amended subsec. (c) generally. Prior to amendment, subsec. (c) read as follows: “Every Federal savings bank which is chartered pursuant to section 1464(o) of this title, and which is engaged in the business of receiving deposits other than trust funds, shall be an insured bank from the time it is authorized to commence business, until such time as its accounts are insured by the Federal Savings and Loan Insurance Corporation.”

Subsec. (d). Pub. L. 101-73, § 205(3), added subsec. (d). 1982—Subsec. (c). Pub. L. 97-320 added subsec. (c).

EFFECTIVE DATE OF 1992 AMENDMENT

Amendment by Pub. L. 102-558 deemed to have become effective Mar. 1, 1992, see section 304 of Pub. L. 102-558, set out as a note under section 4502 of Title 50, War and National Defense.

§ 1815. Deposit insurance

(a) Application to Corporation required

(1) In general

Except as provided in paragraphs (2) and (3), any depository institution which is engaged in the business of receiving deposits other than trust funds (as defined in section 1813(p) of this title), upon application to and examination by the Corporation and approval by the Board of Directors, may become an insured depository institution.

(2) Interim depository institutions

In the case of any interim Federal depository institution that is chartered by the appropriate Federal banking agency and will not open for business, the depository institution shall be an insured depository institution upon the issuance of the institution's charter by the agency.

(3) Application and approval not required in cases of continued insurance

Paragraph (1) shall not apply in the case of any depository institution whose insured status is continued pursuant to section 1814 of this title.

(4) Review requirements

In reviewing any application under this subsection, the Board of Directors shall consider the factors described in section 1816 of this title in determining whether to approve the application for insurance.

(5) Notice of denial of application for insurance

If the Board of Directors votes to deny any application for insurance by any depository institution, the Board of Directors shall promptly notify the appropriate Federal banking agency and, in the case of any State depository institution, the appropriate State banking supervisor of the denial of such application, giving specific reasons in writing for the Board of Directors' determination with reference to the factors described in section 1816 of this title.

(6) Nondelegation requirement

The authority of the Board of Directors to make any determination to deny any application under this subsection may not be delegated by the Board of Directors.

(b) Foreign branch nonmember banks; matters considered

Subject to the provisions of this chapter and to such terms and conditions as the Board of Directors may impose, any branch of a foreign bank, upon application by the bank to the Corporation, and examination by the Corporation of the branch, and approval by the Board of Directors, may become an insured branch. Before approving any such application, the Board of Directors shall give consideration to—

- (1) the financial history and condition of the bank,
- (2) the adequacy of its capital structure,
- (3) its future earnings prospects,
- (4) the general character and fitness of its management, including but not limited to the management of the branch proposed to be insured,
- (5) the risk presented to the Deposit Insurance Fund,
- (6) the convenience and needs of the community to be served by the branch,
- (7) whether or not its corporate powers, insofar as they will be exercised through the proposed insured branch, are consistent with the purposes of this chapter, and
- (8) the probable adequacy and reliability of information supplied and to be supplied by the

bank to the Corporation to enable it to carry out its functions under this chapter.

(c) Protection to Deposit Insurance Fund; surety bond, pledge of assets, etc.; injunction

(1) Before any branch of a foreign bank becomes an insured branch, the bank shall deliver to the Corporation or as the Corporation may direct a surety bond, a pledge of assets, or both, in such amounts and of such types as the Corporation may require or approve, for the purpose set forth in paragraph (4) of this subsection.

(2) After any branch of a foreign bank becomes an insured branch, the bank shall maintain on deposit with the Corporation, or as the Corporation may direct, surety bonds or assets or both, in such amounts and of such types as shall be determined from time to time in accordance with such regulations as the Board of Directors may prescribe. Such regulations may impose differing requirements on the basis of any factors which in the judgment of the Board of Directors are reasonably related to the purpose set forth in paragraph (4).

(3) The Corporation may require of any given bank larger deposits of bonds and assets than required under paragraph (2) of this subsection if, in the judgment of the Corporation, the situation of that bank or any branch thereof is or becomes such that the deposits of bonds and assets otherwise required under this section would not adequately fulfill the purpose set forth in paragraph (4). The imposition of any such additional requirements may be without notice or opportunity for hearing, but the Corporation shall afford an opportunity to any such bank to apply for a reduction or removal of any such additional requirements so imposed.

(4) The purpose of the surety bonds and pledges of assets required under this subsection is to provide protection to the Deposit Insurance Fund against the risks entailed in insuring the domestic deposits of a foreign bank whose activities, assets, and personnel are in large part outside the jurisdiction of the United States. In the implementation of its authority under this subsection, however, the Corporation shall endeavor to avoid imposing requirements on such banks which would unnecessarily place them at a competitive disadvantage in relation to domestically incorporated banks.

(5) In the case of any failure or threatened failure of a foreign bank to comply with any requirement imposed under this subsection (c), the Corporation, in addition to all other administrative and judicial remedies, may apply to any United States district court, or United States court of any territory, within the jurisdiction of which any branch of the bank is located, for an injunction to compel such bank and any officer, employee, or agent thereof, or any other person having custody or control of any of its assets, to deliver to the Corporation such assets as may be necessary to meet such requirement, and to take any other action necessary to vest the Corporation with control of assets so delivered. If the court shall determine that there has been any such failure or threatened failure to comply with any such requirement, it shall be the duty of the court to issue such injunction. The propriety of the requirement may be litigated only as

provided in chapter 7 of title 5, and may not be made an issue in an action for an injunction under this paragraph.

(d) Insurance fees

(1) In general

Any institution that becomes insured by the Corporation, and any noninsured branch that becomes insured by the Corporation, shall pay the Corporation any fee which the Corporation may by regulation prescribe, after giving due consideration to the need to establish and maintain the reserve ratio of the Deposit Insurance Fund.

(2) Fee credited to the Deposit Insurance Fund

The fee paid by the depository institution under paragraph (1) shall be credited to the Deposit Insurance Fund.

(3) Exception for certain depository institutions

Any depository institution that becomes an insured depository institution by operation of section 1814(a) of this title shall not pay any fee.

(e) Liability of commonly controlled depository institutions

(1) In general

(A) Liability established

Any insured depository institution shall be liable for any loss incurred by the Corporation, or any loss which the Corporation reasonably anticipates incurring, after August 9, 1989, in connection with—

- (i) the default of a commonly controlled insured depository institution; or
- (ii) any assistance provided by the Corporation to any commonly controlled insured depository institution in danger of default.

(B) Payment upon notice

An insured depository institution shall pay the amount of any liability to the Corporation under subparagraph (A) upon receipt of written notice by the Corporation in accordance with this subsection.

(C) Notice required to be provided within 2 years of loss

No insured depository institution shall be liable to the Corporation under subparagraph (A) if written notice with respect to such liability is not received by such institution before the end of the 2-year period beginning on the date the Corporation incurred the loss.

(2) Amount of compensation; procedures

(A) Use of estimates

When an insured depository institution is in default or requires assistance to prevent default, the Corporation shall—

- (i) in good faith, estimate the amount of the loss the Corporation will incur from such default or assistance;
- (ii) if, with respect to such insured depository institution, there is more than 1 commonly controlled insured depository institution, estimate the amount of each

such commonly controlled depository institution's share of such liability; and

(iii) advise each commonly controlled depository institution of the Corporation's estimate of the amount of such institution's liability for such losses.

(B) Procedures; immediate payment

The Corporation, after consultation with the appropriate Federal banking agency and the appropriate State chartering agency, shall—

(i) on a case-by-case basis, establish the procedures and schedule under which any insured depository institution shall reimburse the Corporation for such institution's liability under paragraph (1) in connection with any commonly controlled insured depository institution; or

(ii) require any insured depository institution to make immediate payment of the amount of such institution's liability under paragraph (1) in connection with any commonly controlled insured depository institution.

(C) Priority

The liability of any insured depository institution under this subsection shall have priority with respect to other obligations and liabilities as follows:

(i) Superiority

The liability shall be superior to the following obligations and liabilities of the depository institution:

(I) Any obligation to shareholders arising as a result of their status as shareholders (including any depository institution holding company or any shareholder or creditor of such company).

(II) Any obligation or liability owed to any affiliate of the depository institution (including any other insured depository institution), other than any secured obligation which was secured as of May 1, 1989.

(ii) Subordination

The liability shall be subordinate in right and payment to the following obligations and liabilities of the depository institution:

(I) Any deposit liability (which is not a liability described in clause (i)(II)).

(II) Any secured obligation, other than any obligation owed to any affiliate of the depository institution (including any other insured depository institution) which was secured after May 1, 1989.

(III) Any other general or senior liability (which is not a liability described in clause (i)).

(IV) Any obligation subordinated to depositors or other general creditors (which is not an obligation described in clause (i)).

(D) Adjustment of estimated payment

(i) Overpayment

If the amount of compensation estimated by and paid to the Corporation by 1

or more such commonly controlled depository institutions is greater than the actual loss incurred by the Corporation, the Corporation shall reimburse each such commonly controlled depository institution its pro rata share of any overpayment.

(ii) Underpayment

If the amount of compensation estimated by and paid to the Corporation by 1 or more such commonly controlled depository institutions is less than the actual loss incurred by the Corporation, the Corporation shall redetermine in its discretion the liability of each such commonly controlled depository institution to the Corporation and shall require each such commonly controlled depository institution to make payment of any additional liability to the Corporation.

(3) Review

(A) Judicial

Actions of the Corporation shall be reviewable pursuant to chapter 7 of title 5.

(B) Administrative

The Corporation shall prescribe regulations and establish administrative procedures which provide for a hearing on the record for the review of—

(i) the amount of any loss incurred by the Corporation in connection with any insured depository institution;

(ii) the liability of individual commonly controlled depository institutions for the amount of such loss; and

(iii) the schedule of payments to be made by such commonly controlled depository institutions.

(4) Limitation on rights of private parties

To the extent the exercise of any right or power of any person would impair the ability of any insured depository institution to perform such institution's obligations under this subsection—

(A) the obligations of such insured depository institution shall supersede such right or power; and

(B) no court may give effect to such right or power with respect to such insured depository institution.

(5) Waiver authority

(A) In general

The Corporation, in its discretion, may exempt any insured depository institution from the provisions of this subsection if the Corporation determines that such exemption is in the best interests of the Deposit Insurance Fund.

(B) Condition

During the period any exemption granted to any insured depository institution under subparagraph (A) or (C) is in effect, such insured depository institution and all other insured depository institution affiliates of such depository institution shall comply fully with the restrictions of sections 371c and 371c-1 of this title without regard to section 371c(d)(1) of this title.

(C) Limited partnerships**(i) In general**

The Corporation may, in its discretion, exempt any limited partnership and any affiliate of any limited partnership (other than any insured depository institution which is a majority owned subsidiary of such partnership) from the provisions of this subsection if such limited partnership or affiliate has filed a registration statement with the Securities and Exchange Commission on or before April 10, 1989, indicating that as of the date of such filing such partnership intended to acquire 1 or more insured depository institutions.

(ii) Review and notice

Within 10 business days after the date of submission of any request for an exemption under this subparagraph together with such information as shall be reasonably requested by the Corporation, the Corporation shall make a determination on the request and shall so advise the applicant.

(6) Exclusion for institutions acquired in debt collections

Any depository institution shall not be treated as commonly controlled, for purposes of this subsection, during the 5-year period beginning on the date of an acquisition described in subparagraph (A) or such longer period as the Corporation may determine after written application by the acquirer, if—

(A) 1 depository institution controls another by virtue of ownership of voting shares acquired in securing or collecting a debt previously contracted in good faith; and

(B) during the period beginning on August 9, 1989, and ending upon the expiration of the exclusion, the controlling bank and all other insured depository institution affiliates of such controlling bank comply fully with the restrictions of sections 371c and 371c-1 of this title, without regard to section 371c(d)(1) of this title, in transactions with the acquired insured depository institution.

(7) Exception for certain FSLIC assisted institutions

No depository institution shall have any liability to the Corporation under this subsection as the result of the default of, or assistance provided with respect to, an insured depository institution which is an affiliate of such depository institution if—

(A) such affiliate was receiving cash payments from the Federal Savings and Loan Insurance Corporation under an assistance agreement or note entered into before August 9, 1989;

(B) the Federal Savings and Loan Insurance Corporation, or such other entity which has succeeded to the payment obligations of such Corporation with respect to such assistance agreement or note, is unable to continue such payments; and

(C) such affiliate—

(i) is in default or in need of assistance solely as a result of the failure to meet the

payment obligations referred to in subparagraph (B); and

(ii) is not otherwise in breach of the terms of any assistance agreement or note which would authorize the Federal Savings and Loan Insurance Corporation or such other successor entity, pursuant to the terms of such assistance agreement or note, to refuse to make such payments.

(8) Commonly controlled defined

For purposes of this subsection, depository institutions are commonly controlled if—

(A) such institutions are controlled by the same company; or

(B) 1 depository institution is controlled by another depository institution.
