Each State with an appraiser certifying and licensing agency whose certifications and licenses comply with this chapter, shall—

(1) transmit to the Appraisal Subcommittee, no less than annually, a roster listing individuals who have received a State certification or license in accordance with this chapter;

(2) transmit reports on the issuance and renewal of licenses and certifications, sanctions, disciplinary actions, license and certification revocations, and license and certification suspensions on a timely basis to the national registry of the Appraisal Subcommittee;

(3) transmit reports on a timely basis of supervisory activities involving appraisal management companies or other third-party providers of appraisals and appraisal management services, including investigations initiated and disciplinary actions taken; and

(4) collect—

(A) from such individuals who perform or seek to perform appraisals in federally related transactions, an annual registry fee of not more than \$40, such fees to be transmitted by the State agencies to the Council on an annual basis; and

(B) from an appraisal management company that either has registered with a State

appraiser certifying and licensing agency in accordance with this chapter or operates as a subsidiary of a federally regulated financial institution, an annual registry fee of—

(i) in the case of such a company that has been in existence for more than a year, \$25 multiplied by the number of appraisers working for or contracting with such company in such State during the previous year, but where such \$25 amount may be adjusted, up to a maximum of \$50, at the discretion of the Appraisal Subcommittee, if necessary to carry out the Subcommittee's functions under this chapter; and

(ii) in the case of such a company that has not been in existence for more than a year, \$25 multiplied by an appropriate number to be determined by the Appraisal Subcommittee, and where such number will be used for determining the fee of all such companies that were not in existence for more than a year, but where such \$25 amount may be adjusted, up to a maximum of \$50, at the discretion of the Appraisal Subcommittee, if necessary to carry out the Subcommittee's functions under this chapter.

Subject to the approval of the Council, the Appraisal Subcommittee may adjust the dollar amount of registry fees under paragraph (4)(A), up to a maximum of \$80 per annum, as necessary to carry out its functions under this chapter. In implementing any change in registry fees, the Appraisal Subcommittee shall provide flexibility to the States for multi-year certifications and licenses already in place, as well as a transition period to implement the changes in registry fees. In establishing the amount of the annual registry fee for an appraisal management company, the Appraisal Subcommittee shall have the discretion to impose a minimum annual registry fee for an appraisal management company to protect against the under reporting of the number of appraisers working for or contracted by the appraisal management company.

Amounts appropriated for or collected by the Appraisal Subcommittee under this section shall be used—

(1) to maintain a registry of individuals who are qualified and eligible to perform appraisals in connection with federally related transactions;
