(b) The Secretary shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate, on quarterly and cumulative bases, statistics on United States imports for consumption and United States exports by country and by product. Statistics on United States imports shall be submitted in accordance with the Harmonized Tariff Schedule of the United States Annotated for Statistical Reporting Purposes and general statistical note 1 thereof, in detail as follows:

- (2) United States customs value;
- (3) purchase price or its equivalent;

- (5) aggregate cost from port of exportation to United States port of entry;
- (6) a United States port of entry value comprised of (5) plus (4), if applicable, or, if not applicable, (5) plus (3); and
- (7) for transactions where (3) and (4) are equal, the total value of such transactions.

The data for paragraphs (1), (2), (3), (5), and (6) shall be reported separately for nonrelated and related party transactions, and shall also be reported as a total of all transactions.

- (2) the Secretary of State shall furnish information to the Secretary concerning the value of goods exported under the provisions of the Foreign Assistance Act of 1961, as amended.

(e) There shall be reported, on monthly and cumulative bases, for each heading or subheading in the Harmonized Tariff Schedule of the United States Annotated for Statistical Reporting Purposes, the United States port of entry value (as determined under subsection (b)(6)). There shall be reported, on monthly and cumulative bases, the balance of international trade for the United States reflecting (1) the aggregate value of all United States imports as reported in accordance with the first sentence of this subsection, and (2) the aggregate value of all United States exports. The information required to be reported under this subsection shall be reported in a form that is adjusted for economic inflation or deflation (on a constant dollar basis consistent with the reporting of the National Income and Product Accounts), and in a form that is not so adjusted.

(f) On or before January 1, 1981, and as often thereafter as may be necessary to reflect significant changes in rates, there shall be reported for each heading or subheading in the Harmonized Tariff Schedule of the United States Annotated for Statistical Reporting Purposes, the ad valorem or ad valorem equivalent rate of duty which would have been required to be imposed on dutiable imports under that heading or subheading,
