

(I) any case in which the manufacturer or seller knowingly made any false entry in, or failed to make appropriate entry in, any record required to be kept under Federal or State law with respect to the qualified product, or aided, abetted, or conspired with any person in making any false or fictitious oral or written statement with respect to any fact material to the lawfulness of the sale or other disposition of a qualified product; or

(II) any case in which the manufacturer or seller aided, abetted, or conspired with any other person to sell or otherwise dispose of a qualified product, knowing, or having reasonable cause to believe, that the actual buyer of the qualified product was prohibited from possessing or receiving a firearm or ammunition under subsection (g) or (n) of section 922 of title 18;

(iv) an action for breach of contract or warranty in connection with the purchase of the product;

(v) an action for death, physical injuries or property damage resulting directly from a defect in design or manufacture of the product, when used as intended or in a reasonably foreseeable manner, except that where the discharge of the product was caused by a volitional act that constituted a criminal offense, then such act shall be considered the sole proximate cause of any resulting death, personal injuries or property damage; or

(vi) an action or proceeding commenced by the Attorney General to enforce the provisions of chapter 44 of title 18 or chapter 53 of title 26.

(B) Negligent entrustment

As used in subparagraph (A)(ii), the term “negligent entrustment” means the supplying of a qualified product by a seller for use by another person when the seller knows, or reasonably should know, the person to whom the product is supplied is likely to, and does, use the product in a manner involving unreasonable risk of physical injury to the person or others.

(C) Rule of construction

The exceptions enumerated under clauses (i) through (v) of subparagraph (A) shall be construed so as not to be in conflict, and no provision of this chapter shall be construed to create a public or private cause of action or remedy.

(D) Minor child exception

Nothing in this chapter shall be construed to limit the right of a person under 17 years of age to recover damages authorized under Federal or State law in a civil action that meets 1 of the requirements under clauses (i) through (v) of subparagraph (A).

(6) Seller

The term “seller” means, with respect to a qualified product—

(A) an importer (as defined in section 921(a)(9) of title 18) who is engaged in the

business as such an importer in interstate or foreign commerce and who is licensed to engage in business as such an importer under chapter 44 of title 18;

(B) a dealer (as defined in section 921(a)(11) of title 18) who is engaged in the business as such a dealer in interstate or foreign commerce and who is licensed to engage in business as such a dealer under chapter 44 of title 18; or

(C) a person engaged in the business of selling ammunition (as defined in section 921(a)(17)(A) of title 18) in interstate or foreign commerce at the wholesale or retail level.

(7) State

The term “State” includes each of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands, and any other territory or possession of the United States, and any political subdivision of any such place.

(8) Trade association

The term “trade association” means—

(A) any corporation, unincorporated association, federation, business league, professional or business organization not organized or operated for profit and no part of the net earnings of which inures to the benefit of any private shareholder or individual;

(B) that is an organization described in section 501(c)(6) of title 26 and exempt from tax under section 501(a) of such title; and

(C) 2 or more members of which are manufacturers or sellers of a qualified product.

(9) Unlawful misuse

The term “unlawful misuse” means conduct that violates a statute, ordinance, or regulation as it relates to the use of a qualified product.

CHAPTER 106—POOL AND SPA SAFETY

Sec.	
8001.	Findings.
8002.	Definitions.
8003.	Federal swimming pool and spa drain cover standard.
8004.	State swimming pool safety grant program.
8005.	Minimum State law requirements.

8007.	CPSC report.
8008.	Applicability.

§ 8001. Findings

Congress finds the following:

(1) Of injury-related deaths, drowning is the second leading cause of death in children aged 1 to 14 in the United States.

(2) In 2004, 761 children aged 14 and under died as a result of unintentional drowning.

(3) Adult supervision at all aquatic venues is a critical safety factor in preventing children from drowning.

(4) Research studies show that the installation and proper use of barriers or fencing, as well as additional layers of protection, could substantially reduce the number of childhood residential swimming pool drownings and near drownings.

EFFECTIVE DATE

Chapter effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110-140, set out as a note under section 1824 of Title 2, The Congress.

SHORT TITLE

Pub. L. 110-140, title XIV, §1401, Dec. 19, 2007, 121 Stat. 1794, provided that: “This title [enacting this chapter] may be cited as the ‘Virginia Graeme Baker Pool and Spa Safety Act’.”

§ 8002. Definitions

In this chapter:

(1) ASME/ANSI

The term “ASME/ANSI” as applied to a safety standard means such a standard that is accredited by the American National Standards Institute and published by the American Society of Mechanical Engineers.

(2) Barrier

The term “barrier” includes a natural or constructed topographical feature that prevents unpermitted access by children to a swimming pool, and, with respect to a hot tub, a lockable cover.

(3) Commission

The term “Commission” means the Consumer Product Safety Commission.

(4) Main drain

The term “main drain” means a submerged suction outlet typically located at the bottom of a pool or spa to conduct water to a recirculating pump.

(5) Safety vacuum release system

The term “safety vacuum release system” means a vacuum release system capable of providing vacuum release at a suction outlet caused by a high vacuum occurrence due to a suction outlet flow blockage.

(6) Swimming pool; spa

The term “swimming pool” or “spa” means any outdoor or indoor structure intended for swimming or recreational bathing, including in-ground and above-ground structures, and includes hot tubs, spas, portable spas, and non-portable wading pools.

(7) Unblockable drain

The term “unblockable drain” means a drain of any size and shape that a human body cannot sufficiently block to create a suction entrapment hazard.

(8) State

The term “State” has the meaning given such term in section 2052(10)¹ of this title, and

includes the Northern Mariana Islands. For purposes of eligibility for the grants authorized under section 8004 of this title, such term shall also include any political subdivision of a State.

§ 8003. Federal swimming pool and spa drain cover standard

(a) Consumer product safety rule

The requirements described in subsection (b) shall be treated as a consumer product safety rule issued by the Consumer Product Safety Commission under the Consumer Product Safety Act (15 U.S.C. 2051 et seq.).

(b) Drain cover standard

Effective 1 year after December 19, 2007, each swimming pool or spa drain cover manufactured, distributed, or entered into commerce in the United States shall conform to the entrapment protection standards of the ASME/ANSI A112.19.8 performance standard, or any successor standard regulating such swimming pool or drain cover. If a successor standard is proposed, the American Society of Mechanical Engineers shall notify the Commission of the proposed revision. If the Commission determines that the proposed revision is in the public interest, it shall incorporate the revision into the standard after providing 30 days notice to the public.

(c) Public pools

(1) Required equipment

(A) In general

Beginning 1 year after December 19, 2007—

(i) each public pool and spa in the United States shall be equipped with anti-entrapment devices or systems that comply with the ASME/ANSI A112.19.8 performance standard, or any successor standard; and

(ii) each public pool and spa in the United States with a single main drain other than an unblockable drain shall be equipped, at a minimum, with 1 or more of the following devices or systems designed to prevent entrapment by pool or spa drains that meets the requirements of subparagraph (B):

(I) Safety vacuum release system

A safety vacuum release system which ceases operation of the pump, reverses the circulation flow, or otherwise provides a vacuum release at a suction outlet when a blockage is detected, that has
