

SEC. 6. *General Services Administration Schedules.* The SBA and the General Services Administration (GSA) shall act promptly to expand inclusion of 8(a)s and SDBs on GSA Schedules, and provide greater opportunities for 8(a) and SDB participation in orders under such schedules. The GSA should ensure that procurement and program officials at all levels that use GSA Schedules aggressively seek to utilize the Schedule contracts of 8(a)s and SDBs. The GSA shall allow agencies ordering from designated 8(a) firms under the Multiple Award Schedule to count those orders toward their 8(a) procurement goals.

SEC. 7. *Bundling Contracts.* To the extent permitted by law, departments and agencies must submit to the SBA for review any contracts that are proposed to be bundled. The determination of the SBA with regard to the appropriateness of bundling in each instance must be carefully reviewed by the department or agency head, or his or her designee, and must be given due consideration. If there is an unresolvable conflict, then the SBA or the department or agency can seek assistance from the OMB.

SEC. 8. *Awards Program.* The Secretary of Commerce and the Administrator of the SBA shall jointly undertake a feasibility study to determine the appropriateness of an awards program for executive departments and agencies who best exemplify the letter and intent of this order in increasing opportunities for 8(a)s, SDBs, and MBEs in Federal procurement. Such study shall be presented to the President within 90 days of the date of this order.

SEC. 9. *Applicability.* Independent agencies are requested to comply with the provisions of this order.

SEC. 10. *Administration, Enforcement, and Judicial Review.*

(a) This order shall be carried out to the extent permitted by law and consistent with the Administration's priorities and appropriations.

(b) This order is not intended and should not be construed to create any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, its officers, or its employees.

DELEGATION OF AUTHORITY TO ESTABLISH ANNUAL GOALS FOR PARTICIPATION OF SMALL BUSINESS CONCERNS IN PROCUREMENT CONTRACTS

Memorandum of the President of the United States, June 6, 1990, 55 F.R. 27453-27455, provided:

Memorandum for the Director of the Office of Management and Budget

By the authority vested in me as President by the Constitution and laws of the United States, including section 15(g) of the Small Business Act, as amended [subsec. (g) of this section], and section 301 of Title 3 of the United States Code, I hereby delegate to the Director of the Office of Management and Budget the authority vested in the President to establish the annual goals required by Section 502 of the Business Opportunity Development Reform Act of 1988 (P.L. 100-656) [amending this section].

You are authorized and directed to publish this memorandum in the Federal Register.

GEORGE BUSH.

CONTINUED COMMITMENT TO SMALL, SMALL DISADVANTAGED, AND SMALL WOMEN-OWNED BUSINESSES IN FEDERAL PROCUREMENT

Memorandum of President of the United States, Oct. 13, 1994, 59 F.R. 52397, provided:

Memorandum for the Heads of Executive Departments and Agencies [and] the President's Management Council

It is the policy of the Federal Government that a fair proportion of its contracts be placed with small, small disadvantaged, and small women-owned businesses. Such businesses should also have the maximum practicable opportunity to participate as subcontractors in

contracts awarded by the Federal Government consistent with efficient contract performance. I am committed to the continuation of this policy. Therefore, I ask that you encourage the use of various tools, including set-asides, price preferences, and section 8(a) of the Small Business Act (15 U.S.C. 637(a)), as necessary to achieve this policy objective.

The Federal Acquisition Streamlining Act of 1994 [Pub. L. 103-355, see Short Title of 1994 Act note set out under section 101 of Title 41, Public Contracts] authorizes civilian agencies to utilize set-aside procurements for small disadvantaged businesses. The Act also, for the first time, establishes goals for contracting with small women-owned businesses. These provisions, along with others in the Act, will provide greater access to Federal Government business opportunities for small, small disadvantaged, and small women-owned businesses. Department and agency heads should ensure that efforts to streamline acquisition procedures encourage the participation of these businesses in Federal procurements.

This memorandum shall be published in the Federal Register.

WILLIAM J. CLINTON.
