

fact statement, which shall consolidate the environmental reviews of all Federal agencies considering any aspect of the Alaska natural gas transportation project covered by the environmental impact statement.

(c) Other agencies

(1) In general

Each Federal agency considering an aspect of the construction and operation of an Alaska natural gas transportation project under section 720a of this title shall—

- (A) cooperate with the Commission; and
- (B) comply with deadlines established by the Commission in the preparation of the environmental impact statement under this section.

(2) Satisfaction of NEPA requirements

The environmental impact statement prepared under this section shall be adopted by each Federal agency described in paragraph (1) in satisfaction of the responsibilities of the Federal agency under section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)) with respect to the Alaska natural gas transportation project covered by the environmental impact statement.

(d) Expedited process

The Commission shall—

- (1) not later than 1 year after the Commission determines that the application under section 720a of this title with respect to an Alaska natural gas transportation project is complete, issue a draft environmental impact statement under this section; and
- (2) not later than 180 days after the date of issuance of the draft environmental impact statement, issue a final environmental impact statement, unless the Commission for good cause determines that additional time is needed.

§ 720c. Pipeline expansion

(a) Authority

With respect to any Alaska natural gas transportation project, on a request by 1 or more persons and after giving notice and an opportunity for a hearing, the Commission may order the expansion of the Alaska natural gas project if the Commission determines that such an expansion is required by the present and future public convenience and necessity.

(b) Responsibilities of Commission

Before ordering an expansion under subsection (a), the Commission shall—

- (1) approve or establish rates for the expansion service that are designed to ensure the recovery, on an incremental or rolled-in basis, of

the cost associated with the expansion (including a reasonable rate of return on investment);

(2) ensure that the rates do not require existing shippers on the Alaska natural gas transportation project to subsidize expansion shippers;

(3) find that a proposed shipper will comply with, and the proposed expansion and the expansion of service will be undertaken and implemented based on, terms and conditions consistent with the tariff of the Alaska natural gas transportation project in effect as of the date of the expansion;

(4) find that the proposed facilities will not adversely affect the financial or economic viability of the Alaska natural gas transportation project;

(5) find that the proposed facilities will not adversely affect the overall operations of the Alaska natural gas transportation project;

(6) find that the proposed facilities will not diminish the contract rights of existing shippers to previously subscribed certificated capacity;

(7) ensure that all necessary environmental reviews have been completed; and

(8) find that adequate downstream facilities exist or are expected to exist to deliver incremental Alaska natural gas to market.

(c) Requirement for a firm transportation agreement

Any order of the Commission issued in accordance with this section shall be void unless the person requesting the order executes a firm transportation agreement with the Alaska natural gas transportation project within such reasonable period of time as the order may specify.

(d) Limitation

Nothing in this section expands or otherwise affects any authority of the Commission with respect to any natural gas pipeline located outside the State.

(e) Regulations

The Commission may issue such regulations as are necessary to carry out this section.

§ 720d. Federal Coordinator

(a) Establishment

There is established, as an independent office in the executive branch, the Office of the Federal Coordinator for Alaska Natural Gas Transportation Projects.

(b) Federal Coordinator

(1) Appointment

The Office shall be headed by a Federal Coordinator for Alaska Natural Gas Transportation Projects, who shall be appointed by the President, by and with the advice and consent of the Senate, to serve a term to last until 1 year following the completion of the project referred to in section 720a of this title.

(2) Compensation

The Federal Coordinator shall be compensated at the rate prescribed for level III of the Executive Schedule (5 U.S.C. 5314).
