(g) Publication

The Commission shall publish in the Federal Register notices of the fee and assessment rates applicable under this section for each fiscal year not later than 30 days after the date on which an Act making a regular appropriation to the Commission for such fiscal year is enacted, together with any estimates or projections on which such fees are based.

(j) Adjustments to fee rates

(1) Annual adjustment

Subject to subsections (i)(1)(B) and (k), for each fiscal year, the Commission shall by order adjust each of the rates applicable under subsections (b) and (c) for such fiscal year to a uniform adjusted rate that, when applied to the baseline estimate of the aggregate dollar amount of sales for such fiscal year, is reasonably likely to produce aggregate fee collec-

tions under this section (including assessments collected under subsection (d) of this section) that are equal to the regular appropriation to the Commission by Congress for such fiscal year.

(2) Mid-year adjustment

Subject to subsections (i)(1)(B) and (k), for each fiscal year, the Commission shall determine, by March 1 of such fiscal year, whether, based on the actual aggregate dollar volume of sales during the first 5 months of such fiscal year, the baseline estimate of the aggregate dollar volume of sales used under paragraph (1) for such fiscal year is reasonably likely to be 10 percent (or more) greater or less than the actual aggregate dollar volume of sales for such fiscal year. If the Commission so determines, the Commission shall by order, no later than March 1, adjust each of the rates applicable under subsections (b) and (c) for such fiscal year to a uniform adjusted rate that, when applied to the revised estimate of the aggregate dollar amount of sales for the remainder of such fiscal year, is reasonably likely to produce aggregate fee collections under this section (including fees collected during such five-month period and assessments collected under subsection (d) of this section) that are equal to the regular appropriation to the Commission by Congress for such fiscal year. In making such revised estimate, the Commission shall, after consultation with the Congressional Budget Office and the Office of Management and Budget, use the same methodology required by subsection (l).

(3) Review

In exercising its authority under this subsection, the Commission shall not be required to comply with the provisions of section 553 of title 5. An adjusted rate prescribed under paragraph (1) or (2) and published under subsection (g) shall not be subject to judicial review.

Subject to subsections (i)(1)(B) and (k), an adjusted rate prescribed under paragraph (1) shall take effect on the later of—

(i) the first day of the fiscal year to which such rate applies; or

(ii) 60 days after the date on which an Act making a regular appropriation to the Commission for such fiscal year is enacted.

(B) Mid-year adjustment

An adjusted rate prescribed under paragraph (2) shall take effect on April 1 of the fiscal year to which such rate applies.

(k) Lapse of appropriation

If on the first day of a fiscal year a regular appropriation to the Commission has not been enacted, the Commission shall continue to collect (as offsetting collections) the fees and assessments under subsections (b), (c), and (d) at the rate in effect during the preceding fiscal year, until 60 days after the date such a regular appropriation is enacted.

(l) Baseline estimate of the aggregate dollar amount of sales

The baseline estimate of the aggregate dollar amount of sales for any fiscal year is the base-

line estimate of the aggregate dollar amount of sales of securities (other than bonds, debentures, other evidences of indebtedness, security futures products, and options on securities indexes (excluding a narrow-based security index)) to be transacted on each national securities exchange and by or through any member of each national securities association (otherwise than on a national securities exchange) during such fiscal year as determined by the Commission, after consultation with the Congressional Budget Office and the Office of Management and Budget, using the methodology required for making projections pursuant to section 907 of title 2.

(m) Transmittal of Commission budget requests

(1) Budget required

For fiscal year 2012, and each fiscal year thereafter, the Commission shall prepare and submit a budget to the President. The President shall submit each budget submitted under paragraph (1) to Congress, in unaltered form, together with the annual budget for the Administration submitted by the President.
