(vi) solicit public input from AAPI communities on ways to increase and improve opportunities for public participation in Federal programs considering a number of factors, including language barriers.

Each agency, in its plan, shall provide appropriate measurable objectives and, after the first year, shall provide for the assessment of that agency's performance on the goals set in the previous year's plan. Each agency plan shall be submitted to the Co-Chairs by a date to be established by the Co-Chairs. The Co-Chairs shall review the agency plans and develop for submission to the President a Federal interagency plan to improve the quality of life of AAPIs through increased participation in Federal programs in which such persons may be underserved. Actions described in the Federal interagency plan shall address improving access by AAPIs to Federal programs and fostering advances in relevant research and data.
