**§ 1708. Certification of substantially equivalent State law**

**(a) Criteria; request by State**

(1) A State shall be certified if the Director determines—

(A) that, when taken as a whole, the laws and regulations of the State applicable to the sale or lease of lots not exempt under section 1702 of this title require the seller or lessor of such lots to disclose information which is at least substantially equivalent to the information required to be disclosed by section 1707 of this title; and

(B) that the State’s administration of such laws and regulations provides, to the maximum extent practicable, that such information is accurate.

(2) In the case of any State which is not certified under paragraph (1), such State shall be certified if the Director determines—

(A) that, when taken as a whole, the laws and regulations of the State applicable to the sale or lease of lots not exempt under section 1702 of this title provide sufficient protection for purchasers and lessees with respect to the matters for which information is required to be disclosed by section 1707 of this title but which is not required to be disclosed by such State’s laws and regulations; and

(B) that the State’s administration of such laws and regulations provides, to the maximum extent practicable, that (i) information required to be disclosed by such laws and regulations is accurate, and (ii) sufficient protection for purchasers and lessees is made available with respect to the matters for which information is not required to be disclosed.

(3) Any State requesting certification must agree to accept a property report covering land located in another certified State but offered for sale or lease in the State requesting certification if the property report has been approved by the other certified State. Such property report shall be the only property report required by the State with respect to the sale or lease of such land.

**(b) Filing of State disclosure materials and related documentation for purposes of Federal statement of record and property report requirements; acceptance by Director**

After the Director has certified a State under subsection (a), the Director shall accept for filing under sections 1704 through 1707 of this title (and declare effective as the Federal statement of record and property report which shall be used in all States in which the lots are offered for sale or lease) disclosure materials found acceptable, and any related documentation required, by State authorities in connection with the sale or lease of lots located within the State. The Director may accept for such filing, and declare effective as the Federal statement of record and property report, such materials and documentation found acceptable by the State in connection with the sale or lease of lots located outside that State. Nothing in this subsection shall preclude the Director from exercising the authority conferred by subsections (d) and (e) of section 1706 of this title.

**(c) Notice to State upon failure to meet requirements and remedial action necessary for certification**

If a State fails to meet the standards for certification pursuant to subsection (a), the Direc-

**(d) Periodic review of certified States' laws, regulations, and administration; withdrawal of certification**

The Director shall periodically review the laws and regulations, and the administration thereof, of States certified under subsection (a), and may withdraw such certification upon a determination that such laws, regulations, and the administration thereof, taken as a whole, no longer meet the requirements of subsection (a).

**(e) State and local governmental authorities affected; cooperation with State authorities**

Nothing in this chapter may be construed to prevent or limit the authority of any State or local government to enact and enforce with regard to the sale of land any law, ordinance, or code not in conflict with this chapter. In administering this chapter, the Director shall cooperate with State authorities charged with the responsibility of regulating the sale or lease of lots which are subject to this chapter.
