

§ 460vv-7. Botanical areas**(a) Designation**

In order to protect and interpret to the public area within the Ouachita National Forest which contain unique plant species and unique plant communities that are significant in their occurrence, variety and location, the following lands are hereby designated as botanical areas:

(1) Certain lands in the Ouachita National Forest, Oklahoma, which comprise approximately eight thousand and twenty-six acres as generally depicted on a map entitled “Robert S. Kerr Memorial Arboretum, Nature Center and Botanical Area—Proposed”, dated March 1988, which shall be known as the “Robert S. Kerr Memorial Arboretum, Nature Center and Botanical Area”.

(2) Certain lands in the Ouachita National Forest, Oklahoma, which comprise approximately four hundred acres as generally depicted on a map entitled “Beech Creek Botanical Area—Proposed”, dated March 1988, which shall be known as the “Beech Creek Botanical Area”.

(b) Map and description

The Secretary of Agriculture shall, as soon as practicable after October 18, 1988, file a map and a legal description of the botanical areas with the Committee on Interior and Insular Affairs and the Committee on Agriculture of the United States House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the United States Senate. Each such map and legal description shall have the same force and effect as if included in this subchapter; except that correction of clerical and typographical errors in such legal description and map may be made. The map and legal description shall be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture.

(c) Administration

The Secretary shall administer the botanical areas in accordance with the laws, rules and regulations applicable to the national forests in such manner as will best further the purposes of this section, as set forth in subsection (a). Except as provided in section 460vv-14 of this title, vegetative manipulation, including the cutting of trees, shall be permitted in such areas only when necessary for the protection and interpretation of the unique plant species and unique plant communities within the area. The Secretary may permit expansion of roads, improvements, and other facilities in the vicinity of the Robert S. Kerr Nature Center.

(Pub. L. 100-499, § 9, Oct. 18, 1988, 102 Stat. 2495.)

CHANGE OF NAME

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

§ 460vv-8. Indian Nations National Scenic and Wildlife Area**(a) Designation**

In order to protect and enhance certain scenery and wildlife within the Ouachita National

Forest, Oklahoma, certain lands within such national forest, as generally depicted on a map entitled “Indian Nations National Scenic and Wildlife Area—Proposed”, dated March 1988, are hereby designated as the “Indian Nations National Scenic and Wildlife Area” (hereinafter in this subchapter referred to as the “national scenic and wildlife area”).

(b) Map and description

The Secretary of Agriculture (hereinafter in this section referred to as the “Secretary”) shall, as soon as practicable after October 18, 1988, file a map and a legal description of the national scenic and wildlife area with the Committee on Interior and Insular Affairs and the Committee on Agriculture of the United States House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the United States Senate. Each such map and legal description shall have the same force and effect as if included in this subchapter; except that correction of clerical and typographical errors in such legal description and map may be made. The map and legal description shall be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture.

(c) Administration

The Secretary shall administer the national scenic and wildlife area in accordance with the laws, rules and regulations applicable to the national forests in such manner as will best further the purposes of this section, as set forth in subsection (a). Management practices within the national scenic and wildlife area that would detract from the scenic quality and natural beauty of the Talimena Drive and Holson Valley Road viewsheds shall be prohibited. Timber management practices within the national scenic and wildlife area shall promote a mixed hardwood and conifer forest with species and age class diversity approximating natural succession and with significant mast production and den trees for wildlife. Unevenaged timber management shall be the timber management practice in the national scenic and wildlife area, except that the Secretary may use evenaged management practices in order to promote public safety, mitigate the effects of fire, insects, and disease, or if such practices result in irregular cuts behind geographic barriers blocking the view from the Talimena Drive and the Holson Valley Road.

(Pub. L. 100-499, § 10, Oct. 18, 1988, 102 Stat. 2496.)

CHANGE OF NAME

Committee on Interior and Insular Affairs of the House of Representatives changed to Committee on Natural Resources of the House of Representatives on Jan. 5, 1993, by House Resolution No. 5, One Hundred Third Congress.

§ 460vv-9. Beech Creek National Scenic Area**(a) Designation**

In order to protect and enhance certain scenery and wildlife within the Ouachita National Forest, Oklahoma, certain lands within such national forest, as generally depicted on a map entitled “Beech Creek National Scenic Area—Proposed”, dated March 1988, are hereby designated
