

(2) ensure appropriate conservation and management of natural and recreation resources in the Spring Mountains; and

(3) provide for the development of public recreation opportunities in the Spring Mountains for the enjoyment of present and future generations.

(Pub. L. 103-63, § 3, Aug. 4, 1993, 107 Stat. 297.)

§ 460hhh-2. Establishment

(a) In general

Subject to valid existing rights, there is established the Spring Mountains National Recreation Area in Nevada.

(b) Boundaries and map

The Recreation Area shall consist of approximately 316,000 acres of federally owned lands and interests therein in the Toiyabe National Forest, as generally depicted on a map entitled "Spring Mountain National Recreation Area—Proposed", numbered NV-CH, and dated August 2, 1992.

(c) Map filing

As soon as practicable after August 4, 1993, the Secretary shall file a map of the Recreation Area with the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives.

(d) Public inspection

The map shall be on file and available for public inspection in the offices of the Chief of the Forest Service, Department of Agriculture.

(e) Discrepancies

In the case of any discrepancy between or among the acreage referred to in subsection (b) and the map described in subsection (b), the map described in subsection (b) shall control any question concerning the boundaries of the Recreation Area.

(Pub. L. 103-63, § 4, Aug. 4, 1993, 107 Stat. 297.)

§ 460hhh-3. Management

(a) In general

The Secretary, acting through the Chief of the Forest Service, shall manage the Recreation Area in accordance with the laws, rules, and regulations pertaining to the National Forest System and this subchapter to provide for—

(1) the conservation of scenic, scientific, historic, cultural, and other values contributing to public enjoyment;

(2) the conservation of fish and wildlife populations and habitat, including the use of prescribed fire to improve or maintain habitat;

(3) the protection of watersheds and the maintenance of free flowing streams and the quality of ground and surface waters in accordance with applicable law;

(4) public outdoor recreation benefits, including, but not limited to, hunting, fishing, trapping, hiking, horseback riding, backpacking, rock climbing, camping, and nature study;

(5) wilderness areas as designated by Congress; and

(6) the management and use of natural resources in a manner compatible with the purposes for which the Recreation Area is established.

(b) Hunting, trapping, and fishing

(1) In general

Subject to paragraph (2), the Secretary shall permit hunting, trapping, fishing, and habitat management within the Recreation Area in accordance with the laws of the United States and the State of Nevada.

(2) Exceptions

The Secretary, in consultation with the Nevada Department of Wildlife, may designate zones where and periods when hunting, trapping, or fishing shall not be permitted for reasons of public safety, administration, or public use and enjoyment.

(c) Grazing

The grazing of livestock on Federal lands may be permitted to continue pursuant to Federal law and subject to such reasonable regulations, policies, and practices as the Secretary considers necessary.

(d) Preventive measures

Nothing in this subchapter shall preclude such reasonable measures as the Secretary considers necessary to protect the land and resources from fire or insect or disease infestation in the Recreation Area.

(Pub. L. 103-63, § 5, Aug. 4, 1993, 107 Stat. 298.)

§ 460hhh-4. Management plan

(a) In general

(1) Procedures

Not later than 3 full fiscal years after August 4, 1993, the Secretary shall develop a general management plan for the Recreation Area as an amendment to the Toiyabe National Forest Land and Resource Management Plan. Such an amendment shall reflect the establishment of the Recreation Area and be consistent with the provisions of this subchapter, except that nothing in this subchapter shall require the Secretary to revise the Toiyabe National Forest Land and Resource Management Plan pursuant to section 1604 of this title. The provisions of the national forest land and resource management plan relating to the recreation¹ area¹ shall also be available to the public in a document separate from the rest of the forest plan.

(2) Contents

The management plan described in paragraph (1) shall be developed with full public participation and shall include—

(A) implementation plans for a continuing program of interpretation and public education about the resources and values of the Recreation Area;

(B) proposals for public facilities to be developed, expanded, or improved for the Recreation Area, including one or more visitor centers to accommodate both local and out-of-State visitors;
