#### CODIFICATION

#### § 79d. Acquisition of lands

##### (a) Owner's retention of right of use and occupancy for noncommercial residential purposes for fixed term of years or for life; election of term; fair market value; termination of use and occupancy inconsistent with stated purpose and upon payment of sum for unexpired right

The owner of improved property on the date of its acquisition by the Secretary under this subchapter may, as a condition of such acquisition, retain for himself and his heirs and assigns a right of use and occupancy of the improved property for noncommercial residential purposes for a definite term of not more than twenty-five years or, in lieu thereof, for a term ending at the death of the owner or the death of his spouse, whichever is later. The owner shall elect the term to be reserved. Unless the property is wholly or partially donated to the United States, the Secretary shall pay the owner the fair market value of the property on the date of acquisition minus the fair market value on that date of the right retained by the owner. A right retained pursuant to this section shall be subject to termination by the Secretary upon his determination that it is being exercised in a manner inconsistent with the purpose of this subchapter, and it shall terminate by operation of law upon the Secretary's notifying the holder of the right of such determination and tendering to him an amount equal to the fair market value of that portion of the right which remains unexpired.

##### (b) "Improved property" defined

The term "improved property", as used in this section, means a detached, noncommercial residential dwelling, the construction of which was begun before October 9, 1967, together with so much of the land on which the dwelling is situated, the said land being in the same ownership as the dwelling, as the Secretary shall designate to be reasonably necessary for the enjoyment of the dwelling for the sole purpose of noncommercial residential use, together with any structures accessory to the dwelling which are situated on the land so designated.

##### (c) Sale or lease of certain realty to former owner; conditions and restrictions

The Secretary shall have, with respect to any real property acquired by him in sections 5 and 8, township 13 north, range 1 east, Humboldt meridian, authority to sell or lease the same to the former owner under such conditions and restrictions as will assure that it is not utilized in a manner or for purposes inconsistent with the national park.

(Pub. L. 90-545, § 4, Oct. 2, 1968, 82 Stat. 933.)

#### § 79e. Exchange of property; cash equalization payments; commercial operations, minimum economic dislocation and disruption

In exercising his authority to acquire property by exchange, the Secretary may accept title to any non-Federal property within the boundaries of the park, and outside of such boundaries within the limits prescribed in this subchapter. Notwithstanding any other provision of law, the Secretary may acquire such property from the grantor by exchange for any federally owned property under the jurisdiction of the Bureau of Land Management in California, except property needed for public use and management, which he classifies as suitable for exchange or other disposal, or any federally owned property he may designate within the Northern Redwood Purchase Unit in Del Norte County, California, except that section known and designated as the Yurok Experimental Forest, consisting of approximately nine hundred and thirty-five acres. Such federally owned property shall also be available for use by the Secretary in lieu of, or together with, cash in payment of just compensation for any real property taken pursuant to section 79c(b) of this title. The values of the properties so exchanged either shall be approximately equal or, if they are not approximately equal, the value shall be equalized by the payment of cash to the grantor or to the Secretary as the circumstances require. Through the exercise of his exchange authority, the Secretary shall, to the extent possible, minimize economic dislocation and the disruption of the grantor's commercial operations.

(Pub. L. 90-545, § 5, Oct. 2, 1968, 82 Stat. 933.)

Notwithstanding any other provision of law, any Federal property located within any of the areas described in sections 79b and 79c of this title may, with the concurrence of the head of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary for use by him in carrying out the provisions of this subchapter.

(Pub. L. 90-545, § 6, Oct. 2, 1968, 82 Stat. 934.)

#### § 79g. Contract authorization within prescribed cost limits; installments: duration, interest; provisions for payment of judgments and compromise settlements applicable to judgments against United States

(a) Notwithstanding any other provision of law, the Secretary shall have the same authority with respect to contracts for the acquisition of land and interests in land for the purposes of this subchapter as was given the Secretary of the Treasury for other land acquisitions by section 3171 of title 40, and the Secretary and the owner of land to be acquired under this subchapter may agree that the purchase price will be paid in periodic installments over a period that does not exceed ten years, with interest on the unpaid balance thereof at a rate which is not
