“(1) to include the land within the Arapaho and the Roosevelt National Forests known as the Indian Peaks Area in the National Wilderness Preservation System so as to protect the area’s enduring scenic and historic wilderness character and its unique wildlife and to preserve the area’s scientific, educational, recreational, and inspirational resources and challenges; and

“(2) to create the Arapaho National Recreation Area within the Arapaho and the Roosevelt National Forests and the Colorado Big Thompson project so as to preserve and protect the natural, scenic, historic, pastoral, and wildlife resources of the area and to enhance the recreational opportunities provided.”

§ 460jj-1. Land acquisition**(a) Determination of necessity; “scenic easement” defined**

(1) The Secretary is authorized to acquire by donation, purchase with donated or appropriated funds, exchange, or bequest, any lands or lesser interests therein, including mineral interests and scenic easements, which the Secretary determines are needed to establish and manage the Arapaho National Recreation Area. In determining what private property is needed to establish and manage the Arapaho National Recreation Area the Secretary shall utilize the approved county zoning plan to identify those properties whose use or intended use is not in conformance with the overall intent of this subchapter.

(2) As used in this section, the term “scenic easement” means the right to control the use of land in order to carry out this subchapter, but shall not preclude the continuation of any use that is compatible with the overall management plan for the Arapaho National Recreation Area developed pursuant to subsection (c) of section 460jj of this title.

The values of any lands or interests in lands so exchanged shall be approximately equal, or if they are not approximately equal, they shall be equalized by the payment of cash to the grantor or to the Secretary so long as payment does not exceed 25 per centum of the total value of the land or interest in land. In utilizing cash equalization in exchanges the Secretary shall try to reduce the amount of the payment of money to as small an amount as possible. In the exercise of his exchange authority, the Secretary may utilize authorities and procedures available to him in making exchanges of national forest lands.

(d) State land

Any land or interest in land owned by the State of Colorado or any of its political subdivisions may be acquired only by donation or exchange.
