

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

Federal Power Commission terminated and its functions, personnel, property, funds, etc., transferred to Secretary of Energy (except for certain functions transferred to Federal Energy Regulatory Commission) by sections 7151(b), 7171(a), 7172(a), 7291, and 7193 of Title 42.

§ 832k. Authority of Administrator**(a) Settlement, compromise, and payment of claims; limitations; conclusiveness of settlements; restoration of damage**

The Administrator is authorized to determine, settle, compromise, and pay claims and demands against the United States which are not in excess of \$1,000 and are presented to the Administrator in writing within one year from the date of accrual thereof, for any losses, injuries, or damages to persons or property, or for the death of persons, resulting from acts or omissions of employees acting within the scope of their employment pursuant to this chapter. The Administrator is also authorized to determine, compromise, and settle any claims and demands of the United States for any losses, injuries, or damages to property under the Administrator's control, against other persons or public or private corporations. The Administrator's determination, compromise, settlement, or payment of any of the claims referred to in this subsection shall be final and conclusive upon all officers of the Government, notwithstanding the provisions of any other Act to the contrary. When claims presented to the Administrator under this subsection arise, in whole or in part, out of any damage done to private property, the Administrator may repair all or any part of such damage in lieu of making such payments.

(b) Authorization to bring legal proceedings; representation; supervision by Attorney General

The Administrator may, in the name of the United States, under the supervision of the Attorney General, bring such suits at law or in equity as in his judgment may be necessary to carry out the purposes of this chapter; and he shall be represented in the prosecution and defense of all litigation, affecting the status or operation of Bonneville project by the United States attorneys for the districts, respectively, in which such litigation may arise, or by such attorney or attorneys as the Attorney General may designate as authorized by law, in conjunction with the regularly employed attorneys of the Administrator.

AMENDMENTS

1946—Subsec. (b). Act July 26, 1946, took from the Administrator the authority to make settlement of suits.

1945—Act Oct. 23, 1945, added subsec. (a), designated existing provisions as subsec. (b), and amended such provisions generally.

TRANSFER OF FUNCTIONS

Functions of Secretary of the Interior with respect to Bonneville Power Administration transferred to Secretary of Energy by section 7152(a)(1)(D), (2) of Title 42, The Public Health and Welfare, with Bonneville Power Administration to be preserved as a distinct organizational entity within Department of Energy and headed by an Administrator.

§ 832l. Separability

If any provision of this chapter or the application of such provision to any person or circumstance shall be held invalid, the remainder of the chapter and the application of such provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby.

§ 832m. Sale of excess Federal power; fish and wildlife conservation within Federal Columbia River Power System; residential exchange; personnel flexibility**(a) Definitions**

In this section:

(1) Administrator

The term "Administrator" means the Administrator of the Bonneville Power Administration.

(2) Council

The term "Council" means the Northwest Power and Conservation Planning Council.

(3) Excess Federal power

The term "excess Federal power" means such electric power that has become surplus to the firm contractual obligations of the Administrator under section 839c(f) of this title due to either—

(A) any reduction in the quantity of electric power that the Administrator is contractually required to supply under subsections (b) and (d) of section 839c of this title, due to the election by customers of the Bonneville Power Administration to purchase electric power from other suppliers, as compared to the quantity of electric power that the Administrator was contractually required to supply as of January 1, 1995; or

(B) those operations of the Federal Columbia River Power System that are primarily for the benefit of fish and wildlife affected by the development, operation, or management of the System.

(b) Sale of excess Federal power

Notwithstanding section 837a of this title, subsections (a), (b), and (c) of section 837b of this title, and section 837f of this title, and section 839f(c) of this title, the Administrator may, as permitted by otherwise applicable law, sell or otherwise dispose of excess Federal power—

(1) outside the Pacific Northwest on a firm basis for a contract term of not to exceed 7 years, if the excess Federal power is first offered for a reasonable period of time and under the same essential rate, terms and conditions to those Pacific Northwest public body, cooperative and investor-owned utilities and those

direct service industrial customers identified in subsection (b) or (d)(1)(A) of section 839c of this title; and

(2) in any region without the prohibition on resale established by the second sentence of section 832d(a) of this title.

(c) Study by Council

(1)¹ Within 180 days of November 13, 1995, the Council shall review and report to Congress regarding the most appropriate governance structure to allow more effective regional control over efforts to conserve and enhance anadromous and resident fish and wildlife within the Federal Columbia River Power System.

(d) Corps of Engineers procurement

The Assistant Secretary of the Army for Civil Works, acting through the North Pacific Division of the Corps of Engineers, is authorized to place orders for goods and services related to facilities for electric power generation and fish and wildlife mitigation associated with the Federal Columbia River Power System with and through the Administrator using the authorities available to the Administrator.

(e) Residential exchange

Notwithstanding the establishment, confirmation and approval of rates pursuant to section 839e of this title, and notwithstanding the provisions of section 839c(c) of this title, the cost benefits of eligible utilities' total purchase and exchange sales under section 839c(c)(1) of this title shall be \$145,000,000 for fiscal year 1997, and the net benefits paid to each eligible electric utility shall be \$145,000,000 multiplied by the percentage of the total of such net benefits paid by the Administrator to such utility for fiscal year 1995.

(f) Personnel flexibility

The Administrator may offer employees voluntary separation incentives as deemed necessary which shall not exceed \$25,000. Recipients who accept employment with the United States within five years after separation shall repay the entire amount to the Bonneville Power Administration.

(g) Savings

Unless superseded by an Act of Congress, the authority provided by this section is expressly intended to extend beyond the fiscal year.
