(2) in any region without the prohibition on resale established by the second sentence of section 832d(a) of this title.

**(c) Study by Council**

(1)<sup>1</sup> Within 180 days of November 13, 1995, the Council shall review and report to Congress regarding the most appropriate governance structure to allow more effective regional control over efforts to conserve and enhance anadromous and resident fish and wildlife within the Federal Columbia River Power System.

**(d) Corps of Engineers procurement**

The Assistant Secretary of the Army for Civil Works, acting through the North Pacific Division of the Corps of Engineers, is authorized to place orders for goods and services related to facilities for electric power generation and fish and wildlife mitigation associated with the Federal Columbia River Power System with and through the Administrator using the authorities available to the Administrator.

**(e) Residential exchange**

Notwithstanding the establishment, confirmation and approval of rates pursuant to section 839e of this title, and notwithstanding the provisions of section 839c(c) of this title, the cost benefits of eligible utilities' total purchase and exchange sales under section 839c(c)(1) of this title shall be \$145,000,000 for fiscal year 1997, and the net benefits paid to each eligible electric utility shall be \$145,000,000 multiplied by the percentage of the total of such net benefits paid by the Administrator to such utility for fiscal year 1995.

**(f) Personnel flexibility**

The Administrator may offer employees voluntary separation incentives as deemed necessary which shall not exceed \$25,000. Recipients who accept employment with the United States within five years after separation shall repay the entire amount to the Bonneville Power Administration.

**(g) Savings**

Unless superseded by an Act of Congress, the authority provided by this section is expressly intended to extend beyond the fiscal year.
