

quiring that one-third of such sums be made available to the Secretary of the Interior and two-thirds of such sums be made available to the Secretary of the department in which the National Oceanic and Atmospheric Administration is operating, and added pars. (1) to (3).

EFFECTIVE DATE OF 1997 AMENDMENT

For effective date of amendment by Pub. L. 105-42, see section 8 of Pub. L. 105-42, set out as a note under section 1362 of this title.

ABOLITION OF HOUSE COMMITTEE ON MERCHANT MARINE AND FISHERIES

Committee on Merchant Marine and Fisheries of House of Representatives abolished and its jurisdiction transferred by House Resolution No. 6, One Hundred Fourth Congress, Jan. 4, 1995. For treatment of references to Committee on Merchant Marine and Fisheries, see section 1(b)(3) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress.

**§ 1381. Commercial fisheries gear development**

**(a) Research and development program; report to Congress; authorization of appropriations**

The Secretary of the department in which the National Oceanic and Atmospheric Administration is operating (hereafter referred to in this section as the "Secretary") is hereby authorized and directed to immediately undertake a program of research and development for the purpose of devising improved fishing methods and gear so as to reduce to the maximum extent practicable the incidental taking of marine mammals in connection with commercial fishing. At the end of the full twenty-four calendar month period following October 21, 1972, the Secretary shall deliver his report in writing to the Congress with respect to the results of such research and development. For the purposes of this section, there is hereby authorized to be appropriated the sum of \$1,000,000 for the fiscal year ending June 30, 1973, and the same amount for the next fiscal year. Funds appropriated for this section shall remain available until expended.

**(b) Reduction of level of taking of marine mammals incidental to commercial fishing operations**

The Secretary, after consultation with the Marine Mammal Commission, is authorized and directed to issue, as soon as practicable, such regulations, covering the twenty-four-month period referred to in section 1371(a)(2) of this title, as he deems necessary or advisable, to reduce to the lowest practicable level the taking of marine mammals incidental to commercial fishing operations. Such regulations shall be adopted pursuant to section 553 of title 5. In issuing such regulations, the Secretary shall take into account the results of any scientific research under subsection (a) of this section and, in each case, shall provide a reasonable time not exceeding four months for the persons affected to implement such regulations.

**(c) Reduction of level of taking of marine mammals in tuna fishery**

Additionally, the Secretary and Secretary of State are directed to commence negotiations within the Inter-American Tropical Tuna Commission in order to effect essential compliance with the regulatory provisions of this chapter so

as to reduce to the maximum extent feasible the incidental taking of marine mammals by vessels involved in the tuna fishery. The Secretary and Secretary of State are further directed to request the Director of Investigations of the Inter-American Tropical Tuna Commission to make recommendations to all member nations of the Commission as soon as is practicable as to the utilization of methods and gear devised under subsection (a) of this section.

**(d) Research and observation**

Furthermore, after timely notice and during the period of research provided in this section, duly authorized agents of the Secretary are hereby empowered to board and to accompany any commercial fishing vessel documented under the laws of the United States, there being space available, on a regular fishing trip for the purpose of conducting research or observing operations in regard to the development of improved fishing methods and gear as authorized by this section. Such research and observation shall be carried out in such manner as to minimize interference with fishing operations. The Secretary shall provide for the cost of quartering and maintaining such agents. No master, operator, or owner of such a vessel shall impair or in any way interfere with the research or observation being carried out by agents of the Secretary pursuant to this section.

(Pub. L. 92-522, title I, §111, Oct. 21, 1972, 86 Stat. 1041.)

**§ 1382. Regulations and administration**

**(a) Consultation with Federal agencies**

The Secretary, in consultation with any other Federal agency to the extent that such agency may be affected, shall prescribe such regulations as are necessary and appropriate to carry out the purposes of this subchapter.

**(b) Cooperation by Federal agencies**

Each Federal agency is authorized and directed to cooperate with the Secretary, in such manner as may be mutually agreeable, in carrying out the purposes of this subchapter.

**(c) Contracts, leases, and cooperative agreements**

The Secretary may enter into such contracts, leases, cooperative agreements, or other transactions as may be necessary to carry out the purposes of this subchapter or subchapter V and on such terms as he deems appropriate with any Federal or State agency, public or private institution, or other person.

**(d) Annual review; suspension of program**

The Secretary shall review annually the operation of each program in which the United States participates involving the taking of marine mammals on lands. If at any time the Secretary finds that any such program cannot be administered on lands owned by the United States or in which the United States has an interest in a manner consistent with the purposes of<sup>1</sup> policies of this chapter, he shall suspend the operation of that program and shall include in

<sup>1</sup> So in original.

the annual report to the public and the Congress required under section 1373(f) of this title his reasons for such suspension, together with recommendations for such legislation as he deems necessary and appropriate to resolve the problem.

**(e) Measures to alleviate impacts on strategic stocks**

If the Secretary determines, based on a stock assessment under section 1386 of this title or other significant new information obtained under this chapter, that impacts on rookeries, mating grounds, or other areas of similar ecological significance to marine mammals may be causing the decline or impeding the recovery of a strategic stock, the Secretary may develop and implement conservation or management measures to alleviate those impacts. Such measures shall be developed and implemented after consultation with the Marine Mammal Commission and the appropriate Federal agencies and after notice and opportunity for public comment.

AMENDMENTS

1994—Subsec. (c). Pub. L. 103-238, §24(c)(11), made technical amendment to reference to subchapter V of this chapter to reflect renumbering of corresponding title of original act.

Subsec. (e). Pub. L. 103-238, §7(a), added subsec. (e).

1992—Subsec. (c). Pub. L. 102-587 inserted “or subchapter V” after “of this subchapter”.

1980—Subsec. (d). Pub. L. 96-470 substituted “include in the annual report to the public and the Congress required under section 1373(f) of this title” for “forthwith submit to Congress”.

**§ 1383. Application to other treaties and conventions**

**(a) Generally; findings; waiver of penalties**

The provisions of this subchapter shall be deemed to be in addition to and not in contravention of the provisions of any existing international treaty, convention, or agreement, or any statute implementing the same, which may otherwise apply to the taking of marine mammals. Upon a finding by the Secretary that the provisions of any international treaty, convention, or agreement, or any statute implementing the same has been made applicable to persons subject to the provisions of this subchapter in order to effect essential compliance with the regulatory provisions of this chapter so as to reduce to the lowest practicable level the taking of marine mammals incidental to commercial fishing operations, section 1375 of this title may not apply to such persons.

**(b) Review of effectiveness of Agreement on the Conservation of Polar Bears**

Not later than 1 year after April 30, 1994, the Secretary of the Interior shall, in consultation with the contracting parties, initiate a review of the effectiveness of the Agreement on the Conservation of Polar Bears, as provided for in Article IX of the Agreement, and establish a process by which future reviews shall be conducted.

**(c) Review of implementation of Agreement on the Conservation of Polar Bears; report**

The Secretary of the Interior, in consultation with the Secretary of State and the Marine Mammal Commission, shall review the effectiveness of United States implementation of the Agreement on the Conservation of Polar Bears, particularly with respect to the habitat protection mandates contained in Article II. The Secretary shall report the results of this review to the Committee on Merchant Marine and Fisheries of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate not later than April 1, 1995.

**(d) Consultation regarding conservation of polar bears in Russia and Alaska; report**

Not later than 6 months after April 30, 1994, the Secretary of the Interior, acting through the Secretary of State and in consultation with the Marine Mammal Commission and the State of Alaska, shall consult with the appropriate officials of the Russian Federation on the development and implementation of enhanced cooperative research and management programs for the conservation of polar bears in Alaska and Russia. The Secretary shall report the results of this consultation and provide periodic progress reports on the research and management programs to the Committee on Merchant Marine and Fisheries of the House of Representatives and the Committee on Commerce, Science and Transportation of the Senate.

CODIFICATION

A prior subsec. (b) of section 113 of Pub. L. 92-522 amended section 659 of this title.

AMENDMENTS

1994—Subsec. (a). Pub. L. 103-238, §7(b)(1), directed the amendment of this section by “designating the existing paragraph” as subsec. (a), notwithstanding the existing first par. of this section was already designated (a).

Subsecs. (b) to (d). Pub. L. 103-238, §7(b)(2), added subsecs. (b) to (d). See Codification note above.

ABOLITION OF HOUSE COMMITTEE ON MERCHANT MARINE AND FISHERIES

Committee on Merchant Marine and Fisheries of House of Representatives abolished and its jurisdiction transferred by House Resolution No. 6, One Hundred Fourth Congress, Jan. 4, 1995. Committee on Merchant Marine and Fisheries of House of Representatives treated as referring to Committee on Resources of House of Representatives in case of provisions relating to fisheries, wildlife, international fishing agreements, marine affairs (including coastal zone management) except for measures relating to oil and other pollution of navigable waters, or oceanography by section 1(b)(3) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Resources of House of Representatives changed to Committee on Natural Resources of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5, 2007.
