The Secretary concerned shall issue regulations that impose reasonable painting, branding, or other forms of marking or tracking requirements on unprocessed timber if—

(i) the benefits of the requirements outweigh the cost of complying with the requirements; and

(ii) the Secretary determines that, without the requirements, it is likely that the unprocessed timber—

(I) would be exported in violation of sections 620 to 620j of this title; or

(II) if the unprocessed timber originated from Federal lands, would be substituted for unprocessed timber originating from private lands west of the 100th Meridian in the contiguous 48 States in violation of sections 620 to 620j of this title.

(III) as part of a log yard agreement that is consistent with the purposes of the export and substitution restrictions imposed under sections 620 to 620j of this title.

(ii) Review and termination of waivers

A waiver granted under clause (i)—

(I) shall, to the maximum extent practicable, be reviewed once a year; and

(II) shall remain effective until terminated by the Secretary.

(D) Factors

In making a determination under this paragraph, the Secretary concerned shall consider—

(iv) any other factor that is relevant to determining the likelihood of the unprocessed timber being exported or used in substitution.

(5) Reporting

(A) In general

Subject to subparagraph (B), the Secretary concerned shall issue regulations that impose reasonable documentation and reporting requirements if the benefits of the requirements outweigh the cost of complying with the requirements.

(B) Waivers

(i) In general

The Secretary concerned may waive documentation and reporting requirements for a person if—

(I) an audit of the records of the facility of the person reveals substantial compliance with all notice, reporting, painting, and branding requirements during the preceding year; or

(ii) Review and termination of waivers
