CONVENTION ON EXTRADITION

The United States is a party to the Multilateral Convention on Extradition signed at Montevideo on Dec. 26, 1933, entered into force for the United States on Jan. 25, 1935. 49 Stat. 3111.

Other states which have become parties: Argentina, Chile, Colombia, Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama.

§ 3182. Fugitives from State or Territory to State, District, or Territory

Whenever the executive authority of any State or Territory demands any person as a fugi-

tive from justice, of the executive authority of any State, District, or Territory to which such person has fled, and produces a copy of an indictment found or an affidavit made before a magistrate of any State or Territory, charging the person demanded with having committed treason, felony, or other crime, certified as authentic by the governor or chief magistrate of the State or Territory from whence the person so charged has fled, the executive authority of the State, District, or Territory to which such person has fled shall cause him to be arrested and secured, and notify the executive authority making such demand, or the agent of such authority appointed to receive the fugitive, and shall cause the fugitive to be delivered to such agent when he shall appear. If no such agent appears within thirty days from the time of the arrest, the prisoner may be discharged.

(June 25, 1948, ch. 645, 62 Stat. 822; Pub. L. 104-294, title VI, § 601(f)(9), Oct. 11, 1996, 110 Stat. 3500.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., § 662 (R.S. § 5278). Last sentence as to costs and expenses to be paid by the demanding authority was incorporated in section 3195 of this title.

Word "District" was inserted twice to make section equally applicable to fugitives found in the District of Columbia.

"Thirty days" was substituted for "six months" since, in view of modern conditions, the smaller time is ample for the demanding authority to act.

Minor changes were made in phraseology.

AMENDMENTS

1996—Pub. L. 104-294 inserted comma after "District" in section catchline and in two places in text.

§ 3183. Fugitives from State, Territory, or Possession into extraterritorial jurisdiction of United States

Whenever the executive authority of any State, Territory, District, or possession of the United States demands any American citizen or national as a fugitive from justice who has fled to a country in which the United States exercises extraterritorial jurisdiction, and produces a copy of an indictment found or an affidavit made before a magistrate of the demanding jurisdiction, charging the fugitive so demanded with having committed treason, felony, or other offense, certified as authentic by the Governor or chief magistrate of such demanding jurisdiction, or other person authorized to act, the officer or representative of the United States vested with judicial authority to whom the demand has been made shall cause such fugitive to be arrested and secured, and notify the executive authorities making such demand, or the agent of such authority appointed to receive the fugitive, and shall cause the fugitive to be delivered to such agent when he shall appear.

If no such agent shall appear within three months from the time of the arrest, the prisoner may be discharged.

The agent who receives the fugitive into his custody shall be empowered to transport him to the jurisdiction from which he has fled.
