In addition it should be emphasized that all essential services to the importing, exporting, and traveling public will continue to be performed.

This reorganization plan will permit a needed modernization of the organization and procedure of the Bureau of Customs. It will permit a more effective administration of the customs laws.

I urge the Congress to permit Reorganization Plan No. 1 of 1965 to become effective.

LYNDON B. JOHNSON.

THE WHITE HOUSE, March 25, 1965.

The President is authorized from time to time to change the location of the headquarters in any customs-collection district as the needs of the service may require.
