For provisions dealing with reapportionment of Representatives and manner of election, etc., see sections 2a and 2b of this title.

§2a. Reapportionment of Representatives; time and manner; existing decennial census figures as basis; statement by President; duty of clerk

(a) On the first day, or within one week thereafter, of the first regular session of the Eightysecond Congress and of each fifth Congress thereafter, the President shall transmit to the Congress a statement showing the whole number of persons in each State, excluding Indians not taxed, as ascertained under the seventeenth and each subsequent decennial census of the population, and the number of Representatives to which each State would be entitled under an apportionment of the then existing number of Representatives by the method known as the method of equal proportions, no State to receive less than one Member.

(b) Each State shall be entitled, in the Eightythird Congress and in each Congress thereafter until the taking effect of a reapportionment under this section or subsequent statute, to the number of Representatives shown in the statement required by subsection (a) of this section, no State to receive less than one Member.
