(H) the terms upon which the issuer of the certificate may limit, suspend, or terminate the lender's authority to make consolidation loans under the certificate (without affecting the insurance on any consolidation loan made prior to such limitation, suspension, or termination).

(4) Terms and conditions of loans

A consolidation loan made pursuant to this section shall be insurable by the Secretary or a guaranty agency pursuant to paragraph (2) only if the loan is made to an eligible borrower who has agreed to notify the holder of the loan promptly concerning any change of address and the loan is evidenced by a note or other written agreement which—

(A) is made without security and without endorsement, except that if the borrower is a minor and such note or other written agreement executed by him or her would not, under applicable law, create a binding obligation, endorsement may be required;

(B) provides for the payment of interest and the repayment of principal in accordance with subsection (c) of this section;

(C)(i) provides that periodic installments of principal need not be paid, but interest shall accrue and be paid in accordance with clause (ii), during any period for which the borrower would be eligible for a deferral under section 1078(b)(1)(M) of this title, and that any such period shall not be included in determining the repayment schedule pursuant to subsection (c)(2) of this section; and

(ii) provides that interest shall accrue and be paid during any such period—

(I) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender before November 13, 1997, that consolidated only Federal Stafford Loans for which the student borrower received an interest subsidy under section 1078 of this title;

(II) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender on or after November 13, 1997, except that the Secretary shall pay such interest only on that portion of the loan that repays Federal Stafford Loans for which the student borrower received an interest subsidy under section 1078 of this title or Federal Direct Stafford Loans for which the borrower received an interest subsidy under section 1087e of this title; or

(III) by the borrower, or capitalized, in the case of a consolidation loan other than a loan described in subclause (I) or (II);

(D) entitles the borrower to accelerate without penalty repayment of the whole or any part of the loan; and

(E)(i) contains a notice of the system of disclosure concerning such loan to consumer reporting agencies under section 1080a of this title, and (ii) provides that the lender on request of the borrower will provide information on the repayment status of the note to such consumer reporting agencies.

(5) Direct loans

If, before July 1, 2010, a borrower is unable to obtain a consolidation loan from a lender with an agreement under subsection (a)(1), or is unable to obtain a consolidation loan with income-sensitive repayment terms or income-based repayment terms acceptable to the borrower from such a lender, or chooses to obtain a consolidation loan for the purposes of using the public service loan forgiveness program offered under section 1087e(m) of this title, the Secretary shall offer any such borrower who applies for it, a Federal Direct Consolidation loan. In addition, in the event that a borrower chooses to obtain a consolidation loan for the purposes of using the no accrual of interest for active duty service members program offered under section 1087e(o) of this title, the Secretary shall offer a Federal Direct Consolidation loan to any such borrower who applies for participation in such program. A direct consolidation loan offered under this paragraph shall, as requested by the borrower, be repaid either pursuant to income contingent repayment under part C of this subchapter, pursuant to income-based repayment under section 1098e of this title, or pursuant to any other repayment provision under this section, except that if a borrower intends to be eligible to use the public service loan forgiveness program under section 1087e(m) of this title, such loan shall be repaid using one of the repayment options described in section 1087e(m)(1)(A) of this title. The Secretary shall not offer such loans if, in the Secretary's judgment, the Department of Education does not have the necessary origination and servicing arrangements in place for such loans.

(6) Nondiscrimination in loan consolidation

An eligible lender that makes consolidation loans under this section shall not discriminate against any borrower seeking such a loan—

(A) based on the number or type of eligible student loans the borrower seeks to consolidate, except that a lender is not required to consolidate loans described in subparagraph (D) or (E) of subsection (a)(4) of this section or subsection (d)(1)(C)(ii) of this section;

(B) based on the type or category of institution of higher education that the borrower attended;

(C) based on the interest rate to be charged to the borrower with respect to the consolidation loan; or

(D) with respect to the types of repayment schedules offered to such borrower.

(c) Payment of principal and interest

(1) Interest rate

(A) Notwithstanding subparagraphs (B) and (C), with respect to any loan made under this

section for which the application is received by an eligible lender—

(i) on or after October 1, 1998, and before July 1, 2006, the applicable interest rate shall be determined under section 1077a(k)(4) of this title; or

(ii) on or after July 1, 2006, and that is disbursed before July 1, 2010, the applicable interest rate shall be determined under section 1077a(l)(3) of this title.

(B) A consolidation loan made before July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the greater of—

(i) the weighted average of the interest rates on the loans consolidated, rounded to the nearest whole percent; or

(ii) 9 percent.

(C) A consolidation loan made on or after July 1, 1994, and disbursed before July 1, 2010, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the weighted average of the interest rates on the loans consolidated, rounded upward to the nearest whole percent.

(D) A consolidation loan for which the application is received by an eligible lender on or after November 13, 1997, and before October 1, 1998, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the rate specified in section 1077a(f) of this title, except that the eligible lender may continue to calculate interest on such a loan at the rate previously in effect and defer, until not later than April 1, 1998, the recalculation of the interest on such a loan at the rate required by this subparagraph if the recalculation is applied retroactively to the date on which the loan is made.

(2) Repayment schedules

(A) Notwithstanding any other provision of this part, to the extent authorized by its certificate of insurance under subsection (b)(2) of this section and approved by the issuer of such certificate, the lender of a consolidation loan shall establish repayment terms as will promote the objectives of this section, which shall include the establishment of graduated, income-sensitive, or income-based repayment schedules, established by the lender in accordance with the regulations of the Secretary. Except as required by such income-sensitive or income-based repayment schedules, or by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5) of this section, such repayment terms shall require that if the sum of the consolidation loan and the amount outstanding on other student loans to the individual—

(i) is less than \$7,500, then such consolidation loan shall be repaid in not more than 10 years;

(ii) is equal to or greater than \$7,500 but less than \$10,000, then such consolidation loan shall be repaid in not more than 12 years;

(iii) is equal to or greater than \$10,000 but less than \$20,000, then such consolidation

loan shall be repaid in not more than 15 years;

(iv) is equal to or greater than \$20,000 but less than \$40,000, then such consolidation loan shall be repaid in not more than 20 years;

(v) is equal to or greater than \$40,000 but less than \$60,000, then such consolidation loan shall be repaid in not more than 25 years; or

(vi) is equal to or greater than \$60,000, then such consolidation loan shall be repaid in not more than 30 years.

(B) The amount outstanding on other student loans which may be counted for the purpose of subparagraph (A) may not exceed the amount of the consolidation loan.

(3) Additional repayment requirements

Notwithstanding paragraph (2)—

(A) except in the case of an income-based repayment schedule under section 1098e of this title, a repayment schedule established with respect to a consolidation loan shall require that the minimum installment payment be an amount equal to not less than the accrued unpaid interest;

(B) except as required by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5) of this section, the lender of a consolidation loan may, with respect to repayment on the loan, when the amount of a monthly or other similar payment on the loan is not a multiple of \$5, round the payment to the next highest whole dollar amount that is a multiple of \$5; and

(C) an income-based repayment schedule under section 1098e of this title shall not be available to a consolidation loan borrower who used the proceeds of the loan to discharge the liability on a loan under section 1078-2 of this title, or a Federal Direct PLUS loan, made on behalf of a dependent student.

(4) Commencement of repayment

Repayment of a consolidation loan shall commence within 60 days after all holders have, pursuant to subsection (b)(1)(D) of this section, discharged the liability of the borrower on the loans selected for consolidation.

(5) Insurance premiums prohibited

No insurance premium shall be charged to the borrower on any consolidation loan, and no insurance premium shall be payable by the lender to the Secretary with respect to any such loan, but a fee may be payable by the lender to the guaranty agency to cover the costs of increased or extended liability with respect to such loan.
