§ 2413. State administrative costs

(a) General rule

Except as provided in subsection (b), for each fiscal year for which an eligible agency receives assistance under this chapter, the eligible agency shall provide, from non-Federal sources for the costs the eligible agency incurs for the administration of programs under this chapter, an amount that is not less than the amount provided by the eligible agency from non-Federal sources for such costs for the preceding fiscal year.

(b) Exception

If the amount made available from Federal sources for the administration of programs under this chapter for a fiscal year (referred to in this section as the “determination year”) is less than the amount made available from Federal sources for the administration of programs under this chapter for the preceding fiscal year, then the amount the eligible agency is required to provide from non-Federal sources for costs the eligible agency incurs for the administration of programs under this chapter for the determination year under subsection (a) shall bear the same ratio to the amount the eligible agency provided from non-Federal sources for such costs for the preceding fiscal year, as the amount made available from Federal sources for the administration of programs under this chapter for the determination year bears to the amount made available from Federal sources for

the administration of programs under this chapter for the preceding fiscal year.

(Pub. L. 88-210, title III, §323, as added Pub. L. 109-270, §1(b), Aug. 12, 2006, 120 Stat. 745.)

§ 2414. Student assistance and other Federal programs

(a) Attendance costs not treated as income or resources

The portion of any student financial assistance received under this chapter that is made available for attendance costs described in subsection (b) shall not be considered as income or resources in determining eligibility for assistance under any other program funded in whole or in part with Federal funds.

(b) Attendance costs

The attendance costs described in this subsection are—

(1) tuition and fees normally assessed a student carrying an academic workload as determined by the institution, and including costs for rental or purchase of any equipment, materials, or supplies required of all students in that course of study; and

(2) an allowance for books, supplies, transportation, dependent care, and miscellaneous personal expenses for a student attending the institution on at least a half-time basis, as determined by the institution.

(c) Costs of career and technical education services

Funds made available under this chapter may be used to pay for the costs of career and technical education services required in an individualized education program developed pursuant to section 1414(d) of this title and services necessary to meet the requirements of section 794 of title 29 with respect to ensuring equal access to career and technical education.
