PART C—NATIONAL CENTER FOR EDUCATION
STATISTICS

PRIOR PROVISIONS

Provisions similar to those in this part were contained in chapter 71 (§9001 et seq.) of this title prior to repeal by Pub. L. 107-279, title IV, §403(1), Nov. 5, 2002, 116 Stat. 1985.

§ 9541. Establishment

(a) Establishment

There is established in the Institute a National Center for Education Statistics (in this part referred to as the “Statistics Center”).

(b) Mission

The mission of the Statistics Center shall be—

(1) to collect and analyze education information and statistics in a manner that meets the highest methodological standards;

(2) to report education information and statistics in a timely manner; and

(3) to collect, analyze, and report education information and statistics in a manner that—

(A) is objective, secular, neutral, and non-ideological and is free of partisan political influence and racial, cultural, gender, or regional bias; and

(B) is relevant and useful to practitioners, researchers, policymakers, and the public.

(Pub. L. 107-279, title I, §151, Nov. 5, 2002, 116 Stat. 1957.)

§ 9542. Commissioner for Education Statistics

The Statistics Center shall be headed by a Commissioner for Education Statistics (in this part referred to as the “Statistics Commissioner”) who shall be highly qualified and have substantial knowledge of statistical methodologies and activities undertaken by the Statistics Center.

(Pub. L. 107-279, title I, §152, Nov. 5, 2002, 116 Stat. 1958.)

§ 9543. Duties

(a) General duties

The Statistics Center shall collect, report, analyze, and disseminate statistical data related to education in the United States and in other nations, including—

(1) collecting, acquiring, compiling (where appropriate, on a State-by-State basis), and disseminating full and complete statistics (disaggregated by the population characteristics described in paragraph (3)) on the condition and progress of education, at the pre-school, elementary, secondary, postsecondary, and adult levels in the United States, including data on—

(A) State and local education reform activities;

(B) State and local early childhood school readiness activities;

(C) student achievement in, at a minimum, the core academic areas of reading, mathematics, and science at all levels of education;

(D) secondary school completions, drop-outs, and adult literacy and reading skills;

(E) access to, and opportunity for, post-secondary education, including data on financial aid to postsecondary students;

(F) teaching, including—

(i) data on in-service professional development, including a comparison of courses taken in the core academic areas of reading, mathematics, and science with courses in noncore academic areas, including technology courses; and

(ii) the percentage of teachers who meet the applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification, or, with regard to special education teachers, the qualifications described in section 1412(a)(14)(C) of this title.¹ in each State and, where feasible, in each local educational agency and school;

(G) instruction, the conditions of the education workplace, and the supply of, and demand for, teachers;

(H) the incidence, frequency, seriousness, and nature of violence affecting students, school personnel, and other individuals participating in school activities, as well as other indices of school safety, including information regarding—

(i) the relationship between victims and perpetrators;

(ii) demographic characteristics of the victims and perpetrators; and

(iii) the type of weapons used in incidents, as classified in the Uniform Crime Reports of the Federal Bureau of Investigation;

(I) the financing and management of education, including data on revenues and expenditures;

(J) the social and economic status of children, including their academic achievement;

(K) the existence and use of educational technology and access to the Internet by students and teachers in elementary schools and secondary schools;

(L) access to, and opportunity for, early childhood education;

(M) the availability of, and access to, before-school and after-school programs (including such programs during school recesses);

(N) student participation in and completion of secondary and postsecondary vocational and technical education programs by specific program area; and

(O) the existence and use of school libraries;
