

high intensity drug trafficking areas based on the following factors:

“(A) The number of methamphetamine manufacturing facilities and amphetamine manufacturing facilities discovered by Federal, State, or local law enforcement officials in the previous fiscal year.

“(B) The number of methamphetamine prosecutions and amphetamine prosecutions in Federal, State, or local courts in the previous fiscal year.

“(C) The number of methamphetamine arrests and amphetamine arrests by Federal, State, or local law enforcement officials in the previous fiscal year.

“(D) The amounts of methamphetamine, amphetamine, or listed chemicals (as that term is defined in section 102(33) of the Controlled Substances Act (21 U.S.C. 802(33)) seized by Federal, State, or local law enforcement officials in the previous fiscal year.

“(E) Intelligence and predictive data from the Drug Enforcement Administration and the Department of Health and Human Services showing patterns and trends in abuse, trafficking, and transportation in methamphetamine, amphetamine, and listed chemicals (as that term is so defined).

“(2) CERTIFICATION.—Before the Director apportions any funds under this subsection to a high intensity drug trafficking area, the Director shall certify that the law enforcement entities responsible for clandestine methamphetamine and amphetamine laboratory seizures in that area are providing laboratory seizure data to the national clandestine laboratory database at the El Paso Intelligence Center.

“(d) LIMITATION ON ADMINISTRATIVE COSTS.—Not more than 5 percent of the amount appropriated in a fiscal year pursuant to the authorization of appropriations for that fiscal year in subsection (b) may be available in that fiscal year for administrative costs associated with activities under subsection (a).”

FUNDING FOR HIGH INTENSITY DRUG TRAFFICKING AREAS PROGRAM

Pub. L. 106-58, title III, Sept. 29, 1999, 113 Stat. 448, provided in part: “That, hereafter, of the amount appropriated for fiscal year 2000 or any succeeding fiscal year for the High Intensity Drug Trafficking Areas Program, the funds to be obligated or expended during such fiscal year for programs addressing the treatment or prevention of drug use as part of the approved strategy for a designated High Intensity Drug Trafficking Area (HIDTA) shall not be less than the funds obligated or expended for such programs during fiscal year 1999 for each designated HIDTA without the prior approval of the Committees on Appropriations”.

§ 1707. Counter-Drug Technology Assessment Center

(a) Establishment

There is established within the Office the Counter-Drug Technology Assessment Center (referred to in this section as the “Center”). The Center shall operate under the authority of the Director of National Drug Control Policy and shall serve as the central counter-drug technology research and development organization of the United States Government.

(b) Chief Scientist

There shall be at the head of the Center the Chief Scientist, who shall be appointed by the Director from among individuals qualified and distinguished in the area of science, medicine, engineering, or technology.

(c) Research and development responsibilities

The Director, acting through the Chief Scientist, shall—

(1) identify and define the short-, medium-, and long-term scientific and technological needs of Federal, State, local, and tribal drug supply reduction agencies, including—

(A) advanced surveillance, tracking, and radar imaging;

(B) electronic support measures;

(C) communications;

(D) data fusion, advanced computer systems, and artificial intelligence; and

(E) chemical, biological, radiological (including neutron and electron), and other means of detection;

(2) identify demand reduction basic and applied research needs and initiatives, in consultation with affected National Drug Control Program agencies, including—

(A) improving treatment through neuroscientific advances;

(B) improving the transfer of biomedical research to the clinical setting; and

(C) in consultation with the National Institute of Drug Abuse and the Substance Abuse and Mental Health Services Administration, and through interagency agreements or grants, examining addiction and rehabilitation research and the application of technology to expanding the effectiveness and availability of drug treatment;

(3) make a priority ranking of such needs identified in paragraphs (1) and (2) according to fiscal and technological feasibility, as part of a National Counterdrug Research and Development Program;

(4) oversee and coordinate counterdrug technology initiatives with related activities of other Federal civilian and military departments;

(5) provide support to the development and implementation of the national drug control performance measurement system established under subsection (c) of section 1705 of this title; and

(6) pursuant to the authority of the Director of National Drug Control Policy under section 1703 of this title, submit requests to Congress for the reprogramming or transfer of funds appropriated for counterdrug technology research and development.

(d) Limitation on authority

The authority granted to the Director under this section shall not extend to the awarding of contracts, management of individual projects, or other operational activities.

(e) Assistance and support to the Office of National Drug Control Policy

The Secretary of Defense, the Secretary of Homeland Security, and the Secretary of Health and Human Services shall, to the maximum extent practicable, render assistance and support to the Office and to the Director in the conduct of counterdrug technology assessment.

(f) Technology transfer program

(1) Program

The Chief Scientist, with the advice and counsel of experts from State, local, and tribal law enforcement agencies, shall be responsible to the Director for coordination and imple-

mentation of a counterdrug technology transfer program.

(2) Purpose

The purpose of the Technology Transfer Program shall be for the Counterdrug Technology Assessment Center to transfer technology and associated training directly to State, local, and tribal law enforcement agencies.

(3) Priority of receipts

Transfers shall be made in priority order based on—

(A) the need of potential recipients for such technology;

(B) the effectiveness of the technology to enhance current counterdrug activities of potential recipients; and

(C) the ability and willingness of potential recipients to evaluate transferred technology.

(4) Agreement authority

The Director may enter into an agreement with the Secretary of Homeland Security to transfer technology with both counterdrug and homeland security applications to State, local, and tribal law enforcement agencies on a reimbursable basis.

(5) Report

On or before July 1 of each year, the Director shall submit a report to the appropriate congressional committees that addresses the following:

(A) The number of requests received during the previous 12 months, including the identity of each requesting agency and the type of technology requested.

(B) The number of requests fulfilled during the previous 12 months, including the identity of each recipient agency and the type of technology transferred.

(C) A summary of the criteria used in making the determination on what requests were funded and what requests were not funded, except that such summary shall not include specific information on any individual requests.

(D) A general assessment of the future needs of the program, based on expected changes in threats, expected technologies, and likely need from potential recipients.

(E) An assessment of the effectiveness of the technologies transferred, based in part on the evaluations provided by the recipients, with a recommendation whether the technology should continue to be offered through the program.

REPEAL OF SECTION

For repeal of section on Sept. 30, 2010, see section 1712 of this title.

AMENDMENTS

2006—Subsec. (b). Pub. L. 109-469, § 401(a), amended subsec. (b) generally. Prior to amendment, text read as follows: “There shall be at the head of the Center the Director of Technology, who shall be appointed by the

Director of National Drug Control Policy from among individuals qualified and distinguished in the area of science, medicine, engineering, or technology.”

Subsec. (c). Pub. L. 109-469, § 401(b)(1)(B), added subsec. (c) and struck out former subsec. (c) which related to additional responsibilities of the Director of National Drug Control Policy.

Subsec. (d). Pub. L. 109-469, § 401(c), which directed insertion of “, the Secretary of Homeland Security,” after “The Secretary of Defense”, could not be executed because the words “The Secretary of Defense” did not appear subsequent to amendment by Pub. L. 109-469, § 401(b)(1). See below.

Pub. L. 109-469, § 401(b)(1)(B), added subsec. (d). Former subsec. (d) redesignated (e).

Subsec. (e). Pub. L. 109-469, § 401(b)(2), amended subsec. (e) generally. Prior to amendment, text read as follows: “The Secretary of Defense and the Secretary of Health and Human Services shall, to the maximum extent practicable, render assistance and support to the Office and to the Director in the conduct of counterdrug technology assessment.”

Pub. L. 109-469, § 401(b)(1)(A), redesignated subsec. (d) as (e).

Subsec. (f). Pub. L. 109-469, § 401(b)(3), added subsec. (f).

§ 1708. National youth anti-drug media campaign

(a) In general

The Director shall conduct a national youth anti-drug media campaign (referred to in this chapter¹ as the “national media campaign”) in accordance with this section for the purposes of—

(1) preventing drug abuse among young people in the United States;

(2) increasing awareness of adults of the impact of drug abuse on young people; and

(3) encouraging parents and other interested adults to discuss with young people the dangers of illegal drug use.

(b) Use of funds

(1) In general

Amounts made available to carry out this section for the national media campaign may only be used for the following:

(A) The purchase of media time and space, including the strategic planning for, and accounting of, such purchases.

(B) Creative and talent costs, consistent with paragraph (2)(A).

(C) Advertising production costs.

(D) Testing and evaluation of advertising.

(E) Evaluation of the effectiveness of the national media campaign.

(F) The negotiated fees for the winning bidder on requests for proposals issued either by the Office or its designee to enter into contracts to carry out activities authorized by this section.

(G) Partnerships with professional and civic groups, community-based organizations, including faith-based organizations, and government organizations related to the national media campaign.

(H) Entertainment industry outreach, interactive outreach, media projects and activities, public information, news media outreach, and corporate sponsorship and participation.
