REFERENCES IN TEXT

This chapter, referred to in text, was in the original “this joint resolution”, which enacted this chapter and section 308 of the Public Health Service Act (act July 1, 1944, ch. 373, 58 Stat. 682). Such section 308 was redesignated section 307 by Pub. L. 93-353, July 23, 1974, title I, § 106, 88 Stat. 367, and is classified to section 242l of Title 42, The Public Health and Welfare.

RECITAL

Pub. L. 86-610 provided that:

“Whereas it is recognized that disease and disability are the common enemies of all nations and peoples, and that the means, methods, and techniques for combating and abating the ravages of disease and disability and for improving the health and health standards of man should be sought and shared, without regard to national boundaries and divisions; and

“Whereas advances in combating and abating disease and in the positive promotion of human health can be stimulated by supporting and encouraging cooperation among scientists, research workers, and teachers on an international basis, with consequent benefit to the health of our people and of all peoples; and

“Whereas there already exist tested means for international cooperation in matters relating to health, including the World Health Organization, the Pan American Health Organization, and the United Nations Children’s Fund (UNICEF), with which the United States is identified and associated, and it is highly desirable that the United States establish domestic machinery for the maximum mobilization of its health research resources, the more efficiently to cooperate with and support the research, research-training and research-planning endeavors of such international organizations: Therefore be it * * *”.

SHORT TITLE

Pub. L. 86-610, § 1, July 12, 1960, 74 Stat. 364, provided that: “This joint resolution [enacting this chapter and section 242l of Title 42, The Public Health and Welfare] may be cited as the ‘International Health Research Act of 1960’.”

SWINE INFLUENZA STUDY

Pub. L. 94-302, title III, § 301, May 31, 1976, 90 Stat. 596, provided that:

“(a) The Congress finds and declares that—

“(1) the problems posed by swine influenza transcend national and political boundaries;

“(2) no one country, or even one portion of the world, can singularly undertake the search for a
