In any case where there is more than one Bureau-funded school located on an Indian reservation, at the direction of the tribal governing body, the relevant school boards of the Bureau-funded schools on the reservation may, by mutual consent, establish the relevant attendance areas for such schools, subject to the approval of the tribal governing body. Any such boundaries so established shall be accepted by the Secretary.

The Secretary shall cause such revisions to be published in the Federal Register.

(2) Transportation

No funding shall be made available without tribal authorization to enable a school to provide transportation for any student to or from the school and a location outside the approved attendance area of the school.

(e) Reservation as boundary

When there is only one Bureau-funded program located on an Indian reservation—

(1) the attendance area for the program shall be the boundaries (established by treaty, agreement, legislation, court decisions, or executive decisions and as accepted by the tribe) of the reservation served; and

(2) those students residing near the reservation shall also receive services from such program.

(f) Off-reservation home-living (dormitory) schools
