Except as provided in this section, this chapter shall not apply to land located within Alaska.

§ 2220. Owner-managed interests

(a) Purpose

The purpose of this section is to provide a means for the owner or co-owners of trust or restricted interests in a parcel of land to enter into surface leases of such parcel for certain purposes without approval of the Secretary.

(b) Mineral interests

Nothing in this section shall be construed to limit or otherwise affect the application of any Federal law requiring the Secretary to approve mineral leases or other agreements for the development of the mineral interest in trust or restricted land.

(c) Owner management

(1) In general

Notwithstanding any provision of Federal law requiring the Secretary to approve indi-

vidual Indian leases of individual Indian trust or restricted land, where the owners of all of the undivided trust or restricted interests in a parcel of land have submitted applications to the Secretary pursuant to subsection (a), and the Secretary has approved such applications under subsection (d), such owners may, without further approval by the Secretary, enter into a lease of the parcel for agricultural purposes for a term not to exceed 10 years.

(2) Rule of construction

No such lease shall be effective until it has been executed by the owners of all undivided trust or restricted interests in the parcel.

(d) Approval of applications for owner management

(1) In general

Subject to the provisions of paragraph (2), the Secretary shall approve an application for owner management submitted by a qualified applicant pursuant to this section unless the Secretary has reason to believe that the applicant is submitting the application as the result of fraud or undue influence. No such application shall be valid or considered if it is received by the Secretary prior to the date that is 1 year after the date on which notice is published pursuant to section 8(a)(4) of the American Indian Probate Reform Act of 2004.

(2) Commencement of owner-managed status

Notwithstanding the approval of 1 or more applications pursuant to paragraph (1), no trust or restricted interest in a parcel of land shall acquire owner-managed status until applications for all of the trust or restricted interests in such parcel of land have been submitted to and approved by the Secretary pursuant to this section.

(e) Validity of leases

No lease of trust or restricted interests in a parcel of land that is owner-managed under this section shall be valid or enforceable against the owners of such interests, or against the land, the interest or the United States, unless such lease—

(1) is consistent with, and entered into in accordance with, the requirements of this section; or

(2) has been approved by the Secretary in accordance with other Federal laws applicable to the leasing of trust or restricted land.

(f) Lease revenues

The Secretary shall not be responsible for the collection of, or accounting for, any lease revenues accruing to any interests under a lease authorized by subsection (e), so long as such interest is in owner-managed status under the provisions of this section.

(g) Jurisdiction

(1) Jurisdiction unaffected by status

The Indian tribe with jurisdiction over an interest in trust or restricted land that becomes owner-managed pursuant to this section shall continue to have jurisdiction over the interest to the same extent and in all respects that such tribe had prior to the interest acquiring owner-managed status.
