(g)(3) of this section the amendments made by section 225 of Pub. L. 88-272 do not apply if there is a complete liquidation of such corporation and if the distribution of all the property under such liquidation occurs before Jan. 1, 1966, except for certain liquidations to which section 332 of this title applies.

§ 332. Complete liquidations of subsidiaries

(a) General rule

No gain or loss shall be recognized on the receipt by a corporation of property distributed in complete liquidation of another corporation.

(b) Liquidations to which section applies

For purposes of this section, a distribution shall be considered to be in complete liquidation only if—

(1) the corporation receiving such property was, on the date of the adoption of the plan of liquidation, and has continued to be at all times until the receipt of the property, the owner of stock (in such other corporation) meeting the requirements of section 1504(a)(2); and either

(2) the distribution is by such other corporation in complete cancellation or redemption of all its stock, and the transfer of all the property occurs within the taxable year; in such case the adoption by the shareholders of the resolution under which is authorized the distribution of all the assets of such corporation in complete cancellation or redemption of all its stock shall be considered an adoption of a plan of liquidation, even though no time for the completion of the transfer of the property is specified in such resolution; or

(3) such distribution is one of a series of distributions by such other corporation in complete cancellation or redemption of all its stock in accordance with a plan of liquidation under which the transfer of all the property under the liquidation is to be completed within 3 years from the close of the taxable year during which is made the first of the series of distributions under the plan, except that if such transfer is not completed within such period, or if the taxpayer does not continue qualified under paragraph (1) until the completion of such transfer, no distribution under the plan shall be considered a distribution in complete liquidation.

If such transfer of all the property does not occur within the taxable year, the Secretary may require of the taxpayer such bond, or waiver of the statute of limitations on assessment and collection, or both, as he may deem necessary to insure, if the transfer of the property is not completed within such 3-year period, or if the taxpayer does not continue qualified under

paragraph (1) until the completion of such transfer, the assessment and collection of all income taxes then imposed by law for such taxable year or subsequent taxable years, to the extent attributable to property so received. A distribution otherwise constituting a distribution in complete liquidation within the meaning of this subsection shall not be considered as not constituting such a distribution merely because it does not constitute a distribution or liquidation within the meaning of the corporate law under which the distribution is made; and for purposes of this subsection a transfer of property of such other corporation to the taxpayer shall not be considered as not constituting a distribution (or one of a series of distributions) in complete cancellation or redemption of all the stock of such other corporation, merely because the carrying out of the plan involves (A) the transfer under the plan to the taxpayer by such other corporation of property, not attributable to shares owned by the taxpayer, on an exchange described in section 361, and (B) the complete cancellation or redemption under the plan, as a result of exchanges described in section 354, of the shares not owned by the taxpayer.

In the case of any distribution to a foreign corporation in complete liquidation of an applicable holding company—
