**(C) 60-month amortization of child care facilities****(i) In general**

In determining qualified direct costs with respect to any child care facility for purposes of subparagraph (A), in lieu of depreciation the adjusted basis of such facility shall be allowable as a deduction ratably over a period of 60 months beginning with the month in which the facility is placed in service.

For purposes of this section—

**(1) In general**

The term “welfare benefit fund” means any fund—

**(ii) Limitation**

In the case of any qualified nonguaranteed contract, subparagraph (A) shall not apply unless the amount of any experience rated refund or policy dividend payable to an employer with respect to a policy year is treated by the employer as received or accrued in the taxable year in which the policy year ends.
