

(4) In making grants under this part, the Secretary shall give priority consideration to applications for the continuation of programs which have been funded under this part.

(5) Nothing in this section may be construed to authorize a separate service delivery system for Indian residents of a State who reside in non-reservation areas.

**(c) Funds reserved for training and technical assistance**

(1) From the funds appropriated and made available to carry out this part for any fiscal year, beginning with fiscal year 2015, the Commissioner shall first reserve not less than 1.8 percent and not more than 2 percent of the funds to provide training and technical assistance to governing bodies described in subsection (a) for such fiscal year.

(2) From the funds reserved under paragraph (1), the Commissioner shall make grants to, or enter into contracts or other cooperative agreements with, entities that have experience in the operation of vocational rehabilitation services programs under this section to provide such training and technical assistance with respect to developing, conducting, administering, and evaluating such programs.

(3) The Commissioner shall conduct a survey of the governing bodies regarding training and technical assistance needs in order to determine funding priorities for such grants, contracts, or cooperative agreements.

(4) To be eligible to receive a grant or enter into a contract or cooperative agreement under this section, such an entity shall submit an application to the Commissioner at such time, in such manner, and containing a proposal to provide such training and technical assistance, and containing such additional information as the Commissioner may require. The Commissioner shall provide for peer review of applications by panels that include persons who are not government employees and who have experience in the operation of vocational rehabilitation services programs under this section.

**(d) "Reservation" defined**

The term "reservation" includes Indian reservations, public domain Indian allotments, former Indian reservations in Oklahoma, and land held by incorporated Native groups, regional corporations, and village corporations under the provisions of the Alaska Native Claims Settlement Act [43 U.S.C. 1601 et seq.].

PART D—VOCATIONAL REHABILITATION SERVICES  
CLIENT INFORMATION

**§ 751. Data sharing**

**(a) In general**

**(1) Memorandum of understanding**

The Secretary of Education and the Secretary of Health and Human Services shall enter into a memorandum of understanding for the purposes of exchanging data of mutual importance—

(A) that concern clients of designated State agencies; and

(B) that are data maintained either by—

(i) the Rehabilitation Services Administration, as required by section 710 of this title; or

(ii) the Social Security Administration, from its Summary Earnings and Records and Master Beneficiary Records.

**(2) Employment statistics**

The Secretary of Labor shall provide the Commissioner with employment statistics specified in section 491-2 of this title, that facilitate evaluation by the Commissioner of the program carried out under part B of this subchapter, and allow the Commissioner to compare the progress of individuals with disabilities who are assisted under the program in securing, retaining, regaining, and advancing in employment with the progress made by individuals who are assisted under title I of the Workforce Innovation and Opportunity Act [29 U.S.C. 3111 et seq.].

**(b) Treatment of information**

For purposes of the exchange described in subsection (a)(1), the data described in subsection (a)(1)(B)(ii) shall not be considered return information (as defined in section 6103(b)(2) of title 26) and, as appropriate, the confidentiality of all client information shall be maintained by the Rehabilitation Services Administration and the Social Security Administration.

L. 105-220, title IV, §405, Aug. 7, 1998, 112 Stat. 1167, without reference to those intervening amendments because of the extensive revision of title II by Pub. L. 105-220.

**§ 760. Declaration of purpose**

The purpose of this subchapter is to—

(1) provide for research, demonstration projects, training, technical assistance, and related activities to maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities of all ages, with particular emphasis on improving the effectiveness of services authorized under this chapter;

(2) provide for a comprehensive and coordinated approach to the support and conduct of such research, demonstration projects, training, technical assistance, and related activities and to ensure that the approach is in accordance with the 5-year plan developed under section 762(h) of this title;

(3) promote the transfer and use of rehabilitation technology to individuals with disabilities, in a timely and efficient manner, through research and demonstration projects relating to—

(A) the procurement process for the purchase of rehabilitation technology;

(B) the utilization of rehabilitation technology on a national basis;

(C) specific adaptations or customizations of products to enable individuals with disabilities to live more independently; and

(D) the development or transfer of assistive technology;

(4) ensure the widespread dissemination, in usable formats, of practical scientific and technological information—

(A) generated by research, demonstration projects, training, and related activities; and

(B) regarding state-of-the-art practices, improvements in the services authorized under this chapter, rehabilitation technology, and new knowledge regarding disabilities,

to rehabilitation professionals, individuals with disabilities, and other interested parties, including the general public;

(5) identify effective strategies that enhance the opportunities of individuals with disabilities, including individuals with intellectual and psychiatric disabilities, to engage in em-
