In subsection (a), before clause (1), the words "an issue of obligations authorized under this chapter" are substituted for 31:761(less proviso) to reflect consolidation of the authority for issues of obligations in the revised chapter and for consistency. The text of 31:757c(e) is omitted as unnecessary and superseded by 39:410. The words "out of any money in the Treasury not otherwise appropriated" in 31:760 are omitted as unnecessary and for consistency. The words "to be expended as the Secretary of the Treasury may direct" in 31:760 are omitted as surplus. In clause (1), the .2 percent limitation on expenses of bonds referred to in 31:760 is made applicable to a "note" because of the definition of bond in 31:753(d)(last sentence). The words "sections 735 to 738, . . . 765, . . . 773 of this title and section 84 of title 12" in 31:753(d)(last sentence) are omitted because they refer to sections previously repealed (31:735-738, 765) or obsolete (31:773, which was superseded by 39:410) and because 12:84 was amended to express the result required by the source provisions by section 10 of the Act of February 25, 1927 (ch. 191, 44 Stat. 1229).

In subsection (b), the words "appropriation for the specified amount" are substituted for "definite appropriation", and the words "appropriation for an unspecified amount" are substituted for "indefinite appropriation", as being more precise. The word "only" is substituted for "and the indefinite appropriation shall not be available for obligation" to eliminate unnecessary words.

§ 3130. Annual public debt report

(a) GENERAL RULE.—On or before June 1 of each calendar year after 1993, the Secretary of the Treasury shall submit a report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate on—

- (1) the Treasury's public debt activities, and
- (2) the operations of the Federal Financing Bank.

(b) REQUIRED INFORMATION ON PUBLIC DEBT ACTIVITIES.—Each report submitted under subsection (a) shall include the following information:

(1) A table showing the following information with respect to the total public debt:

(A) The past levels of such debt and the projected levels of such debt as of the close of the current fiscal year and as of the close of the next 5 fiscal years under the most recent current services baseline projection of the executive branch.

(B) The past debt to GDP ratios and the projected debt to GDP ratios as of the close of the current fiscal year and as of the close of the next 5 fiscal years under such most recent current services baseline projection.

(2) A table showing the following information with respect to the net public debt:

(A) The past levels of such debt and the projected levels of such debt as of the close of the current fiscal year and as of the close of the next 5 fiscal years under the most recent current services baseline projection of the executive branch.

(B) The past debt to GDP ratios and the projected debt to GDP ratios as of the close of the current fiscal year and as of the close of the next 5 fiscal years under such most recent current services baseline projection.

(C) The interest cost on such debt for prior fiscal years and the projected interest cost on such debt for the current fiscal year and for the next 5 fiscal years under such most recent current services baseline projection.

(D) The interest cost to outlay ratios for prior fiscal years and the projected interest cost to outlay ratios for the current fiscal year and for the next 5 fiscal years under such most recent current services baseline projection.

(3) A table showing the maturity distribution of the net public debt as of the time the report is submitted and for prior years, and an explanation of the overall financing strategy used in determining the distribution of maturities when issuing public debt obligations, including a discussion of the projections and assumptions with respect to the structure of interest rates for the current fiscal year and for the succeeding 5 fiscal years.

(4) A table showing the following information as of the time the report is submitted and for prior years:

(A) A description of the various categories of the holders of public debt obligations.

(B) The portions of the total public debt held by each of such categories.

(5) A table showing the relationship of federally assisted borrowing to total Federal borrowing as of the time the report is submitted and for prior years.

(6) A table showing the annual principal and interest payments which would be required to amortize in equal annual payments the level (as of the time the report is submitted) of the net public debt over the longest remaining term to maturity of any obligation which is a part of such debt.

(c) REQUIRED INFORMATION ON FEDERAL FINANCING BANK.—Each report submitted under

subsection (a) shall include (but not be limited to) information on the financial operations of the Federal Financing Bank, including loan payments and prepayments, and on the levels and categories of the lending activities of the Federal Financing Bank, for the current fiscal year and for prior fiscal years.

(d) RECOMMENDATIONS.—The Secretary of the Treasury may include in any report submitted under subsection (a) such recommendations to improve the issuance and sale of public debt obligations (and with respect to other matters) as he may deem advisable.

(e) DEFINITIONS.—For purposes of this section—

(1) CURRENT FISCAL YEAR.—The term “current fiscal year” means the fiscal year ending in the calendar year in which the report is submitted.

(2) TOTAL PUBLIC DEBT.—The term “total public debt” means the total amount of the obligations subject to the public debt limit established in section 3101 of this title.

(3) NET PUBLIC DEBT.—The term “net public debt” means the portion of the total public debt which is held by the public.

(4) DEBT TO GDP RATIO.—The term “debt to GDP ratio” means the percentage obtained by dividing the level of the total public debt or net public debt, as the case may be, by the gross domestic product.

(5) INTEREST COST TO OUTLAY RATIO.—The term “interest cost to outlay ratio” means, with respect to any fiscal year, the percentage obtained by dividing the interest cost for such fiscal year on the net public debt by the total amount of Federal outlays for such fiscal year.

In subsection (a), the words “public money” are substituted for “the moneys of the United States” to eliminate unnecessary words and for consistency. The words “Secretary of the Treasury” are substituted for “Treasurer” because of the source provisions restated in section 321(c) of the revised title. In clauses (3) and (4), the words “deposited in the Treasury” are substituted for “received by him” for clarity and consistency in the revised title. In clause (4), the words “signed by the Secretary of the Treasury” are omitted as surplus. In clauses (5) and (6), the words “Comptroller General” are substituted for “General Accounting Office” for consistency. In clause (5), the word “submit” is substituted for “render” for consistency.
