"(b) The solicitation provisions and contract clauses required by subsection (a) of this section shall include (but not be limited to) the following matters:

§ 3905. Payment provisions relating to construction contracts

(a) In the event that a contractor, after making a certified payment request to an agency pursuant to section 3903(b) of this title, discovers that a portion or all of such payment request constitutes a payment for performance by such contractor that fails to conform to the specifications, terms, and conditions of its contract (hereafter in this subsection referred to as the "unearned amount"), then the contractor shall—

(1) notify the agency of such performance deficiency; and

(2) be obligated to pay the Government an amount equal to interest on the unearned amount (computed in the manner provided in section 3903(c) of this title), from the date of the contractor's receipt of such unearned amount until—
