

the stamping of bars, which have been, or which may be, authorized by law” are omitted as superseded by the source provisions restated in subsection (b).

In subsection (b), the words “The Secretary of the Treasury shall carry out duties and powers” are added because of the source provisions restated in section 321 of the revised title. The words “related to refining and assaying bullion, minting coins, striking medals, and numismatic items at the mints and assay offices” are substituted for 31:278(1st sentence words before comma), 283(1st–26th words), and 361(1st sentence words before 1st comma) to eliminate unnecessary words and for consistency with the source provisions restated in sections 5111(a)(1)–(3) and 5120(a) of the revised title. The words “and not coin” in 31:278 are omitted as unnecessary because of the restatement. The words “and no metals shall be purchased for minor coinage” are omitted as superseded by section 5111(b) of the revised title. The text of 31:278(2d, last sentences) is omitted as obsolete because the Secretary of the Treasury has authority to mint coins containing silver only under section 5112(e) of the revised title and the Secretary holds sufficient silver to mint those coins. See Sen. Rept. No. 91–1084 (1970). The words “except that until the Secretary of the Treasury determines that the mints of the United States are adequate for the production of ample supplies of coins, its facilities may be used for the production of coins” in 31:283(1st sentence) are omitted as superseded by the source provisions restated in the subsection. The words “striking” and “strike” are added for consistency with section 5111 of the revised title.

In subsection (c), the text of 31:281(words before semicolon) is omitted as superseded by the source provisions restated in section 321 of the revised title, and 31:281(words after semicolon) is omitted as superseded by the source provisions restated in subsection (d) and by 5:ch. 35, subch. II.

In subsection (e), the words “the mint at Philadelphia” are substituted for “any building constructed pursuant to this subchapter” because that is the building that was constructed under the subchapter.

§ 5132. Administrative

(a)(1) Except as provided in this chapter, the Secretary of the Treasury shall deposit in the Treasury as miscellaneous receipts amounts the Secretary receives from the operations of the United States Mint. The Secretary shall annually sell to the public, directly and by mail, sets of uncirculated and proof coins minted under paragraphs (1) through (6) of section 5112(a) of this title, and shall solicit such sales through the use of the customer list of the United States Mint. (2)(A) In addition to the coins described in paragraph (1), the Secretary shall sell annually to the public directly and by mail, sets of proof coins minted under paragraphs (1) through (6) of section 5112(a).

(B) Notwithstanding any other provision of law, for purposes of this paragraph—

(ii) all coins minted under this paragraph shall have a mint mark indicating the place of manufacture.

(D) The Secretary shall obtain silver for coins minted under this paragraph by purchase from stockpiles established under the Strategic and Critical Materials Stock Piling Act (50 U.S.C. 98 et seq.). At such time as the silver stockpile is depleted, the Secretary shall obtain silver for such coins by purchase of silver mined from natural deposits in the United States or in a territory or possession of the United States not more than 1 year following the month in which the ore from which it is derived was mined. The Secretary shall pay not more than the average world price for such silver. The Secretary may issue such regulations as may be necessary to carry out this subparagraph.

(3) Not more than \$54,208,000 may be appropriated to the Secretary for the fiscal year ending on September 30, 1993, to pay costs of the mints. Not more than \$965,000 of amounts appropriated pursuant to the preceding sentence shall remain available until expended for research and development.

This is necessary because the language was restated by section 382(h)(1) of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35, 95 Stat. 432) but inadvertently codified as 31:5132(a)(1) (last sentence) by section 1 of the Act of September 13, 1982 (Pub. L. 97-258, 96 Stat. 989.)
