The words “internal controls” are substituted for “including proper features of internal control” to eliminate unnecessary words. In clause (B), the word “costs” is substituted for “direct and indirect costs” to eliminate unnecessary words. In clause (D), the word “basis” is substituted for “method” for clarity. In clause (E), the words “provides information” are substituted for “supply on the basis of accounting results the data” to eliminate unnecessary words. The word “prior” is substituted for “last completed” for consistency in the revised title.

In subsection (c), the words “An officer or employee” are substituted for “employees” for consistency in the revised title and with other titles of the United States Code.
