<sup>1</sup> See References in Text note below.

#### “SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of Pub. L. 110–114, set out as a note under section 2201 of this title.

### § 2223. Transfer of excess credit

#### (a) In general

Subject to subsection (b), the Secretary may apply credit for in-kind contributions provided by a non-Federal interest that are in excess of the required non-Federal cost share for a water resources development study or project toward the required non-Federal cost share for a different water resources development study or project.

#### (b) Restrictions

##### (1) In general

Except for subsection (a)(4)(D)(i) of that section, the requirements of section 1962d–5b of title 42 (as amended by section 1018(a)) shall apply to any credit under this section.

##### (2) Conditions

Credit in excess of the non-Federal share for a study or project may be approved under this section only if—

(A) the non-Federal interest submits a comprehensive plan to the Secretary that identifies—

(i) the studies and projects for which the non-Federal interest intends to provide in-kind contributions for credit that are in excess of the non-Federal cost share for the study or project; and

(ii) the authorized studies and projects to which that excess credit would be applied;

(B) the Secretary approves the comprehensive plan; and

(C) the total amount of credit does not exceed the total non-Federal share for the studies and projects in the approved comprehensive plan.

#### (c) Additional criteria

In evaluating a request to apply credit in excess of the non-Federal share for a study or project toward a different study or project, the Secretary shall consider whether applying that credit will—

(1) help to expedite the completion of a project or group of projects;

(2) reduce costs to the Federal Government; and

(3) aid the completion of a project that provides significant flood risk reduction or environmental benefits.

#### (d) Termination of authority

The authority provided in this section shall terminate 10 years after June 10, 2014.

#### (e) Report

##### (1) Deadlines

##### (A) In general

Not later than 2 years after June 10, 2014, and once every 2 years thereafter, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and

Infrastructure of the House of Representatives and make publicly available an interim report on the use of the authority under this section.

**(B) Final report**

Not later than 10 years after June 10, 2014, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives and make publicly available a final report on the use of the authority under this section.

**(2) Inclusions**

The reports described in paragraph (1) shall include—

(A) a description of the use of the authority under this section during the reporting period;

(B) an assessment of the impact of the authority under this section on the time required to complete projects; and

(C) an assessment of the impact of the authority under this section on other water resources projects.

(Pub. L. 113–121, title I, §1020, June 10, 2014, 128 Stat. 1227.)

**§ 2225. Credit in lieu of reimbursement**

**(a) Requests for credits**

With respect to an authorized flood damage reduction project, or separable element thereof, that has been constructed by a non-Federal interest under section 701b–13 of this title before June 10, 2014, the Secretary may provide to the non-Federal interest, at the request of the non-Federal interest, a credit in an amount equal to the estimated Federal share of the cost of the project or separable element, in lieu of providing to the non-Federal interest a reimbursement in that amount.

**(b) Application of credits**

At the request of the non-Federal interest, the Secretary may apply such credit to the share of the cost of the non-Federal interest of carrying out other flood damage reduction projects or studies.

**§ 2226. Water resources projects on Federal land**

**(a) In general**

Subject to subsection (b), the Secretary may carry out an authorized water resources development project on Federal land that is under the administrative jurisdiction of another Federal agency where the cost of the acquisition of such Federal land has been paid for by the non-Federal interest for the project.

**(b) MOU required**

The Secretary may carry out a project pursuant to subsection (a) only after the non-Federal interest has entered into a memorandum of understanding with the Federal agency that includes such terms and conditions as the Secretary determines to be necessary.

**(c) Applicability**

Nothing in this section alters any non-Federal cost-sharing requirements for the project.
