

(2) Projects included

The status report shall include the status of—
 (A) all projects that are under construction as of the date of the report;

(B) all projects for which the President requests funding for the next fiscal year; and

(C) all projects that have undergone or completed construction, but have not completed the mitigation required under section 2283 of this title.

(3) Information included

In reporting the status of all projects included in the report, the Secretary shall—

(A) use a uniform methodology for determining the status of all projects included in the report;

(B) use a methodology that describes both a qualitative and quantitative status for all projects in the report; and

(C) provide specific dates for participation in the consultations required under section 2283(d)(4)(B) of this title.

(4) Availability of information

The Secretary shall make information contained in the status report available to the public, including on the Internet.

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 2007, and not as part of the Water Resources Development Act of 1986 which comprises this chapter.

AMENDMENTS

2014—Pars. (3), (4). Pub. L. 113-121 added par. (3) and redesignated former par. (3) as (4).

“SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of Pub. L. 110-114, set out as a note under section 2201 of this title.

§ 2283b. Clarification of mitigation authority**(a) In general**

The Secretary may carry out measures to improve fish species habitat within the boundaries and downstream of a water resources project constructed by the Secretary that includes a fish hatchery if the Secretary—

(1) has been explicitly authorized to compensate for fish losses associated with the project; and

(2) determines that the measures are—

(A) feasible;

(B) consistent with authorized project purposes and the fish hatchery; and

(C) in the public interest.

(b) Cost sharing**(1) In general**

Subject to paragraph (2), the non-Federal interest shall contribute 35 percent of the total cost of carrying out activities under this section, including the costs relating to the provision or acquisition of required land, easements, rights-of-way, dredged material disposal areas, and relocations.

(2) Operation and maintenance

The non-Federal interest shall contribute 100 percent of the costs of operation, maintenance, replacement, repair, and rehabilitation of the measures carried out under this section.

(Pub. L. 113-121, title I, § 1028, June 10, 2014, 128 Stat. 1230.)

CODIFICATION

“SECRETARY” DEFINED

Secretary means the Secretary of the Army, see section 2 of Pub. L. 113-121, set out as a note under section 2201 of this title.

§ 2283c. Technical assistance**(1) In general**

The Secretary may provide technical assistance to States and local governments to establish third-party mitigation instruments, including mitigation banks and in-lieu fee programs, that will help to target mitigation payments to high-priority ecosystem restoration actions.

(2) Requirements

In providing technical assistance under this section, the Secretary shall give priority to States and local governments that have developed State, regional, or watershed-based plans identifying priority restoration actions.

(3) Mitigation instruments

The Secretary shall seek to ensure any technical assistance provided under this section will support the establishment of mitigation instruments that will result in restoration of high-priority areas identified in the plans under paragraph (2).

(Pub. L. 113-121, title I, § 1040(c), June 10, 2014, 128 Stat. 1243.)

§ 2285. Environmental Protection and Mitigation Fund

There is established an Environmental Protection and Mitigation Fund. There is authorized to be appropriated to such fund \$35,000,000 for fiscal years beginning after September 30, 1986. Amounts in the fund¹ shall be available for undertaking, in advance of construction of any water resources project authorized to be constructed by the Secretary, such measures authorized as part of such project, including the acquisition of lands and interests therein, as may be necessary to ensure that project-induced losses to fish and wildlife production and habitat will be mitigated. The Secretary shall reimburse the Fund for any amounts expended under this section for a water resources project from the first appropriations made for construction, including planning and designing, of such project.

(Pub. L. 99-662, title IX, §908, Nov. 17, 1986, 100 Stat. 4188.)

§ 2286. Acceptance of certain funds for mitigation

The Secretary is authorized to accept funds from any entity, public or private, in accordance with the Pacific Northwest Electric Power Planning and Conservation Act [16 U.S.C. 839 et seq.] to be used to protect, mitigate, and enhance fish and wildlife in connection with projects con-

structed or operated by the Secretary. The Secretary may accept and use funds for such purposes without regard to any limitation established under any other provision of law or rule of law.

(Pub. L. 99-662, title XI, §1146, Nov. 17, 1986, 100 Stat. 4253.)

REFERENCES IN TEXT

The Pacific Northwest Electric Power Planning and Conservation Act, referred to in text, is Pub. L. 96-501, Dec. 5, 1980, 94 Stat. 2697, which is classified principally to chapter 12H (§839 et seq.) of Title 16, Conservation. § 2287. Continued planning and investigations

(a) Pre-authorization planning and engineering

After the Chief of Engineers transmits his recommendations for a water resources development project to the Secretary for transmittal to the Congress, as authorized in section 701-1 of this title, and before authorization for construction of such project, the Chief of Engineers is authorized to undertake continued planning and engineering (other than preparation of plans and specifications) for such project if the Chief of Engineers finds that the project is without substantial controversy and justifies further engineering, economic, and environmental investigations and the Chief of Engineers transmits to the Committee on Public Works and Transportation of the House of Representatives and the Committee on Environment and Public Works of the Senate a statement of such findings. In the one-year period after authorization for construction of such project, the Chief of Engineers is authorized to undertake planning, engineering, and design for such project.

(b) Omitted

(c) Authorizations as additions to other authorizations

The authorization made by this section shall be in addition to any other authorizations for planning, engineering, and design of water resources development projects and shall not be construed as a limitation on any other such authorization.

(Pub. L. 99-662, title IX, §910, Nov. 17, 1986, 100 Stat. 4189.)

CODIFICATION

Subsec. (b) of this section, which required the Secretary to prepare and transmit an annual report to certain committees of Congress on activities undertaken under this section, terminated, effective May 15, 2000, pursuant to section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance. See, also, page 72 of House Document No. 103-7.
