

The words “on active duty (other than for training)” are substituted for the words “on the active . . . list” to conform to longstanding administrative construction, and because there is no “active list” in the case of many of the uniformed services named, but only for certain regular component of those services, e.g., the “Regular Army” and the “Regular Air Force”. The words “a retired list of that service” are substituted for the words “retired list”, since there is more than one retired list for many of the services named. (See sections 1376, 3966, and 8966 of title 10, for example.) The words “members of the Reserve components of the respective services entitled to Federal pay either on the active or any retired list of said services” are omitted as covered by clause (1), since members of the reserve components are members of the uniformed services concerned. The word “transferred” is omitted as surplusage.

**§ 602. Payments: designation of person to receive amounts due**

(a) Active duty pay and allowances, amounts due for accrued or accumulated leave, or retired or retainer pay, that are otherwise payable to a member to whom this chapter applies and who, in the opinion of a board of medical officers or physicians, is mentally incapable of managing his affairs, may be paid for that member’s use or benefit to any person designated by the Secretary concerned, or by any officer to whom he delegates his authority under this section, without the appointment in judicial proceedings of a committee, guardian, or other legal representative.

(b) The board shall consist of at least three qualified medical officers or physicians, one of whom is specially qualified in the treatment of mental disorders, appointed from available medical officers or physicians under his jurisdiction by the head of whichever of the following is providing medical treatment for the member, or by a person designated by that head—

- (1) Department of the Army;
- (2) Department of the Navy;
- (3) Department of the Air Force;
- (4) Department of Health and Human Services; or
- (5) Department of Veterans Affairs.

If the hospitalization or medical care of the member is not provided by the United States, the board shall be appointed by the Secretary of the department having jurisdiction of the member.

(c) A payment made to a person who is designated under this section discharges the obligation of the United States as to the amount paid.

(d) A person serving in a legal, medical, fiduciary, or other capacity, may not demand or accept a fee, commission, or other charge for any service performed under this chapter.

(e) This section does not apply in any case in which a legal committee, guardian, or other representative has been appointed by a court of competent jurisdiction, except as to payments made before the paying agency of the department concerned receives notice of that appointment.

(f) A person who is designated to receive payments under this section shall furnish satisfactory assurance that the amounts received by him will be applied to the use and benefit of the

incompetent member, and, where the payments may reasonably be expected to be more than \$1,000, shall provide a suitable bond to be paid for out of amounts due the incompetent member.
