§ 481h. Travel and transportation allowances: transportation of designated individuals incident to hospitalization of members for treatment of wounds, illness, or injury

(a) TRAVEL AND TRANSPORTATION AUTHORIZED.—(1) Under uniform regulations prescribed by the Secretaries concerned, travel and transportation described in subsection (c) may be provided for not more than three individuals who, with respect to a member described in paragraph (2), are designated individuals for that member if the attending physician or surgeon and the commander or head of the military medical facility exercising control over the member determine, with respect to any such individual, that the presence of such individual may contribute to the member's health and welfare. In circumstances determined to be appropriate by the Secretary concerned, the Secretary may waive the limitation on the number of designated individuals provided travel and transportation under this section.

(2) A member referred to in paragraph (1) is a member of the uniformed services who—

(A) is serving on active duty, is entitled to pay and allowances under section 204(g) of this title (or would be so entitled were it not for

offsetting earned income described in that section), or is retired for the illness or injury referred to in subparagraph (B); and

(B) either—

(i) is seriously wounded, seriously ill, seriously injured (including having a serious mental disorder), or in a situation of imminent death (whether or not electrical brain activity still exists or brain death is declared), and is hospitalized in a medical facility; or

(ii) is not described in clause (i), but has a wound or an injury incurred in an operation or area designated as a combat operation or combat zone, respectively, by the Secretary of Defense and is hospitalized in a medical facility for treatment of that wound or injury.

(3) Not more than a total of three roundtrips may be provided under paragraph (1) in any 60-day period at Government expense to the individuals who, with respect to a member, are the designated individuals of that member in effect during that period. However, if the Secretary concerned has granted a waiver under the second sentence of paragraph (1) with respect to a member, then for any 60-day period in which the waiver is in effect the limitation in the preceding sentence shall be adjusted accordingly. In addition, during any period during which there is in effect a non-medical attendant designation for a member under section 481k of this title, not more than a total of two roundtrips may be provided under paragraph (1) in any 60-day period at Government expense until there no longer is a designation of a non-medical attendant or that designation transfers to another individual, in which case during the transfer period three roundtrips may be provided.

(4) In the case of a designated individual who is also a member of the uniformed services, that member may be provided travel and transportation under this section in the same manner as a designated individual who is not a member.

(b) DEFINITIONS.—(1) In this section, the term "designated individual", with respect to a member, means—

(A) an individual designated by the member for the purposes of this section; or

(B) in the case of a member who has not made a designation under subparagraph (A) and, as determined by the attending physician or surgeon, is not able to make such a designation, an individual who, as designated by the attending physician or surgeon and the commander or head of the military medical facility exercising control over the member, is someone with a personal relationship to the member whose presence may aid and support the health and welfare of the member during the duration of the member's inpatient treatment.

(2) The designation of an individual as a designated individual for purposes of this section may be changed at any time.

(3)(A) In this section, the term "health and welfare", with respect to a member, includes a situation in which a decision must be made by family members regarding the termination of
