(a) Purposes

The purposes of this section are to promote the prevention and deterrence of instances of fraud, bid rigging, and other anticompetitive activities encountered in the procurement of products for child nutrition programs by—

(1) establishing guidelines and a timetable for the Secretary to initiate debarment proceedings, as well as establishing mandatory debarment periods; and

(2) providing training, technical advice, and guidance in identifying and preventing the activities.

(b) Definitions

(c) Assistance to identify and prevent fraud and anticompetitive activities

The Secretary shall—

(1) in cooperation with any other appropriate individual, organization, or agency, provide advice, training, technical assistance, and guidance (which may include awareness training, training films, and troubleshooting advice) to representatives of States and local agencies regarding means of identifying and preventing fraud and anticompetitive activities relating to the provision of goods or services in conjunction with the participation of a local agency in a child nutrition program; and

(2) provide information to, and fully cooperate with, the Attorney General and State attorneys general regarding investigations of fraud and anticompetitive activities relating to the provision of goods or services in conjunction with the participation of a local agency in a child nutrition program.

(d) Nonprocurement debarment

(1) In general

Except as provided in paragraph (3) and subsection (e) of this section, not later than 180 days after notification of the occurrence of a cause for debarment described in paragraph (2), the Secretary shall initiate nonprocurement debarment proceedings against the contractor who has committed the cause for debarment.

(2) Causes for debarment

Actions requiring initiation of nonprocurement debarment pursuant to paragraph (1)

shall include a situation in which a contractor is found guilty in any criminal proceeding, or found liable in any civil or administrative proceeding, in connection with the supplying, providing, or selling of goods or services to any local agency in connection with a child nutrition program, of—

(A) an anticompetitive activity, including bid-rigging, price-fixing, the allocation of customers between competitors, or other violation of Federal or State antitrust laws;

(C) knowingly receiving stolen property;

(D) making a false claim or statement; or

(E) any other obstruction of justice.

(3) Exception

If the Secretary determines that a decision on initiating nonprocurement debarment proceedings cannot be made within 180 days after notification of the occurrence of a cause for debarment described in paragraph (2) because of the need to further investigate matters relating to the possible debarment, the Secretary may have such additional time as the Secretary considers necessary to make a decision, but not to exceed an additional 180 days.

(4) Mandatory child nutrition program debarment periods

(A) In general

Subject to the other provisions of this paragraph and notwithstanding any other provision of law except subsection (e) of this section, if, after deciding to initiate nonprocurement debarment proceedings pursuant to paragraph (1), the Secretary decides to debar a contractor, the debarment shall be for a period of not less than 3 years.

(B) Previous debarment

If the contractor has been previously debarred pursuant to nonprocurement debarment proceedings initiated pursuant to paragraph (1), and the cause for debarment is described in paragraph (2) based on activities that occurred subsequent to the initial debarment, the debarment shall be for a period of not less than 5 years.

(C) Scope

At a minimum, a debarment under this subsection shall serve to bar the contractor for the specified period from contracting to provide goods or services in conjunction with the participation of a local agency in a child nutrition program.

(D) Reversal, reduction, or exception

Nothing in this section shall restrict the ability of the Secretary to—

(i) reverse a debarment decision;

(ii) reduce the period or scope of a debarment;

(iii) grant an exception permitting a debarred contractor to participate in a particular contract to provide goods or services; or

(iv) otherwise settle a debarment action at any time;

in conjunction with the participation of a local agency in a child nutrition program, if

the Secretary determines there is good cause for the action, after taking into account factors set forth in paragraphs (1) through (6) of subsection (e) of this section.

(5) Information

On request, the Secretary shall present to the Committee on Education and Labor, and the Committee on Agriculture, of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate information regarding the decisions required by this subsection.

(6) Relationship to other authorities

A debarment imposed under this section shall not reduce or diminish the authority of a Federal, State, or local government agency or court to penalize, imprison, fine, suspend, debar, or take other adverse action against a person in a civil, criminal, or administrative proceeding.

(7) Regulations

The Secretary shall issue such regulations as are necessary to carry out this subsection.

(e) Mandatory debarment

Notwithstanding any other provision of this section, the Secretary shall initiate nonprocurement debarment proceedings against the contractor (including any cooperative) who has committed the cause for debarment (as determined under subsection (d)(2) of this section), unless the action—

(1) is likely to have a significant adverse effect on competition or prices in the relevant market or nationally;

(2) will interfere with the ability of a local agency to procure a needed product for a child nutrition program;

(3) is unfair to a person, subsidiary corporation, affiliate, parent company, or local division of a corporation that is not involved in the improper activity that would otherwise result in the debarment;

(4) is likely to have significant adverse economic impacts on the local economy in a manner that is unfair to innocent parties;

(5) is not justified in light of the penalties already imposed on the contractor for violations relevant to the proposed debarment, including any suspension or debarment arising out of the same matter that is imposed by any Federal or State agency; or

(6) is not in the public interest, or otherwise is not in the interests of justice, as determined by the Secretary.

(f) Exhaustion of administrative remedies

Prior to seeking judicial review in a court of competent jurisdiction, a contractor against whom a nonprocurement debarment proceeding has been initiated shall—

(1) exhaust all administrative procedures prescribed by the Secretary; and

(2) receive notice of the final determination of the Secretary.

(g) Information relating to prevention and control of anticompetitive activities

On request, the Secretary shall present to the Committee on Education and Labor, and the

Committee on Agriculture, of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate information regarding the activities of the Secretary relating to anticompetitive activities, fraud, nonprocurement debarment, and any waiver granted by the Secretary under this section.
