

istries different from regulated batteries are toxic and may cause substantial harm to human health and the environment if discarded into the solid waste stream for land disposal or incineration, the Administrator may, with the advice and counsel of State regulatory authorities and manufacturers of rechargeable batteries and rechargeable consumer products, and after public comment—

(A) promulgate labeling requirements for the batteries with different electrode chemistries, rechargeable consumer products containing such batteries that are not easily removable batteries, and packaging for the batteries and products; and

(B) promulgate requirements for easy removability of regulated batteries from rechargeable consumer products designed to contain such batteries.

(2) Substantial similarity

The regulations promulgated under paragraph (1) shall be substantially similar to the requirements set forth in subsections (a) and (b) of this section.

(e) Uniformity

After the effective dates of a requirement set forth in subsection (a), (b), or (c) of this section or a regulation promulgated by the Administrator under subsection (d) of this section, no Federal agency, State, or political subdivision of a State may enforce any easy removability or environmental labeling requirement for a rechargeable battery or rechargeable consumer product that is not identical to the requirement or regulation.

(f) Exemptions

(1) In general

With respect to any rechargeable consumer product, any person may submit an application to the Administrator for an exemption from the requirements of subsection (a) of this section in accordance with the procedures under paragraph (2). The application shall include the following information:

(A) A statement of the specific basis for the request for the exemption.

(B) The name, business address, and telephone number of the applicant.

(2) Granting of exemption

Not later than 60 days after receipt of an application under paragraph (1), the Administrator shall approve or deny the application. On approval of the application the Administrator shall grant an exemption to the applicant. The exemption shall be issued for a period of time that the Administrator determines to be appropriate, except that the period shall not exceed 2 years. The Administrator shall grant an exemption on the basis of evidence supplied to the Administrator that the manufacturer has been unable to commence manufacturing the rechargeable consumer product in compliance with the requirements of this section and with an equivalent level of product performance without the product—

(A) posing a threat to human health, safety, or the environment; or

(B) violating requirements for approvals from governmental agencies or widely recognized private standard-setting organizations (including Underwriters Laboratories).

(3) Renewal of exemption

A person granted an exemption under paragraph (2) may apply for a renewal of the exemption in accordance with the requirements and procedures described in paragraphs (1) and (2). The Administrator may grant a renewal of such an exemption for a period of not more than 2 years after the date of the granting of the renewal.

(Pub. L. 104-142, title I, §103, May 13, 1996, 110 Stat. 1332.)

§ 14323. Requirements

(a) Batteries subject to certain regulations

The collection, storage, or transportation of used rechargeable batteries, batteries described in section 14302(5)(C) of this title or in subchapter III of this chapter, and used rechargeable consumer products containing rechargeable batteries that are not easily removable rechargeable batteries, shall, notwithstanding any law of a State or political subdivision thereof governing such collection, storage, or transportation, be regulated under applicable provisions of the regulations promulgated by the Environmental Protection Agency at 60 Fed. Reg. 25492 (May 11, 1995), as effective on May 11, 1995, except as provided in paragraph (2) of subsection (b) of this section and except that—

(1) the requirements of 40 CFR 260.20, 260.40, and 260.41 and the equivalent requirements of an approved State program shall not apply, and

(2) this section shall not apply to any lead acid battery managed under 40 CFR 266 subpart G or the equivalent requirements of an approved State program.

(b) Enforcement under Solid Waste Disposal Act

(1) Any person who fails to comply with the requirements imposed by subsection (a) of this section may be subject to enforcement under applicable provisions of the Solid Waste Disposal Act [42 U.S.C. 6901 et seq.].

(2) States may implement and enforce the requirements of subsection (a) of this section if the Administrator finds that—

(A) the State has adopted requirements that are identical to those referred to in subsection (a) of this section governing the collection, storage, or transportation of batteries referred to in subsection (a) of this section; and

(B) the State provides for enforcement of such requirements.

(Pub. L. 104-142, title I, §104, May 13, 1996, 110 Stat. 1335.)

REFERENCES IN TEXT

The Solid Waste Disposal Act, referred to in subsection (b)(1), is title II of Pub. L. 89-272, Oct. 20, 1965, 79 Stat. 997, as amended generally by Pub. L. 94-580, §2, Oct. 21, 1976, 90 Stat. 2795, which is classified generally to chapter 82 (§6901 et seq.) of this title. For complete classification of this Act to the Code, see Short Title note set out under section 6901 of this title and Tables.

SUBCHAPTER III—MANAGEMENT OF
BATTERIES CONTAINING MERCURY

§ 14331. Purpose

The purpose of this subchapter is to phase out the use of batteries containing mercury.

(Pub. L. 104-142, title II, §202, May 13, 1996, 110 Stat. 1336.)

§ 14332. Limitations on sale of alkaline-manganese batteries containing mercury

No person shall sell, offer for sale, or offer for promotional purposes any alkaline-manganese battery manufactured on or after May 13, 1996, with a mercury content that was intentionally introduced (as distinguished from mercury that may be incidentally present in other materials), except that the limitation on mercury content in alkaline-manganese button cells shall be 25 milligrams of mercury per button cell.

(Pub. L. 104-142, title II, §203, May 13, 1996, 110 Stat. 1336.)

§ 14333. Limitations on sale of zinc-carbon batteries containing mercury

No person shall sell, offer for sale, or offer for promotional purposes any zinc-carbon battery manufactured on or after May 13, 1996, that contains mercury that was intentionally introduced as described in section 14332 of this title.

(Pub. L. 104-142, title II, §204, May 13, 1996, 110 Stat. 1336.)

§ 14334. Limitations on sale of button cell mercuric-oxide batteries

No person shall sell, offer for sale, or offer for promotional purposes any button cell mercuric-oxide battery for use in the United States on or after May 13, 1996.

(Pub. L. 104-142, title II, §205, May 13, 1996, 110 Stat. 1336.)

§ 14335. Limitations on sale of other mercuric-oxide batteries

(a) Prohibition

On or after May 13, 1996, no person shall sell, offer for sale, or offer for promotional purposes a mercuric-oxide battery for use in the United States unless the battery manufacturer, or the importer of such a battery—

(1) identifies a collection site in the United States that has all required Federal, State, and local government approvals, to which persons may send used mercuric-oxide batteries for recycling or proper disposal;

(2) informs each of its purchasers of mercuric-oxide batteries of the collection site identified under paragraph (1); and

(3) informs each of its purchasers of mercuric-oxide batteries of a telephone number that the purchaser may call to get information about sending mercuric-oxide batteries for recycling or proper disposal.

(b) Application of section

This section does not apply to a sale or offer of a mercuric-oxide button cell battery.

(Pub. L. 104-142, title II, §206, May 13, 1996, 110 Stat. 1336.)

§ 14336. New product or use

On petition of a person that proposes a new use for a battery technology described in this subchapter or the use of a battery described in this subchapter in a new product, the Administrator may exempt from this subchapter the new use of the technology or the use of such a battery in the new product on the condition, if appropriate, that there exist reasonable safeguards to ensure that the resulting battery or product without an easily removable battery will not be disposed of in an incinerator, composting facility, or landfill (other than a facility regulated under subtitle C of the Solid Waste Disposal Act (42 U.S.C. 6921 et seq.)).

(Pub. L. 104-142, title II, §207, May 13, 1996, 110 Stat. 1336.)

REFERENCES IN TEXT

The Solid Waste Disposal Act, referred to in text, is title II of Pub. L. 89-272, Oct. 20, 1965, 79 Stat. 997, as amended generally by Pub. L. 94-580, §2, Oct. 21, 1976, 90 Stat. 2795. Subtitle C of the Act is classified generally to subchapter III (§6921 et seq.) of chapter 82 of this title. For complete classification of this Act to the Code, see Short Title note set out under section 6901 of this title and Tables.

CHAPTER 138—ASSISTED SUICIDE FUNDING RESTRICTION

Sec.

14401.	Findings and purpose.
14402.	Restriction on use of Federal funds under health care programs.
14403.	Restriction on use of Federal funds under certain grant programs.
14404.	Restriction on use of Federal funds by advocacy programs.
14405.	Restriction on use of other Federal funds.
14406.	Clarification with respect to advance directives.
14407.	Application to District of Columbia.
14408.	Relation to other laws.

§ 14401. Findings and purpose

(a) Findings

Congress finds the following:

(1) The Federal Government provides financial support for the provision of and payment for health care services, as well as for advocacy activities to protect the rights of individuals.

(2) Assisted suicide, euthanasia, and mercy killing have been criminal offenses throughout the United States and, under current law, it would be unlawful to provide services in support of such illegal activities.

(3) Because of recent legal developments, it may become lawful in areas of the United States to furnish services in support of such activities.

(4) Congress is not providing Federal financial assistance in support of assisted suicide, euthanasia, and mercy killing and intends that Federal funds not be used to promote such activities.

(b) Purpose

It is the principal purpose of this chapter to continue current Federal policy by providing explicitly that Federal funds may not be used to pay for items and services (including assistance)
