

organizations to develop and implement innovative, comprehensive, community-based public access defibrillation demonstration projects that—

- (1) provide cardiopulmonary resuscitation and automated external defibrillation to cardiac arrest victims in unique settings;
- (2) provide training to community members in cardiopulmonary resuscitation and automated external defibrillation; and
- (3) maximize community access to automated external defibrillators.

(b) Use of funds

A recipient of a grant under subsection (a) of this section shall use the funds provided through the grant to—

- (1) purchase automated external defibrillators that have been approved, or cleared for marketing, by the Food and Drug Administration;
- (2) provide basic life training in automated external defibrillator usage through nationally recognized courses;
- (3) provide information to community members about the public access defibrillation demonstration project to be funded with the grant;
- (4) provide information to the local emergency medical services system regarding the placement of automated external defibrillators in the unique settings; and
- (5) further develop strategies to improve access to automated external defibrillators in public places.

(c) Application

(1) In general

To be eligible to receive a grant under subsection (a) of this section, a political subdivision of a State, Indian tribe, or tribal organization shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may reasonably require.

(2) Contents

An application submitted under paragraph (1) may—

- (A) describe the innovative, comprehensive, community-based public access defibrillation demonstration project to be funded with the grant;
- (B) explain how such public access defibrillation demonstration project represents innovation in providing public access to automated external defibrillation; and
- (C) provide for the collection of data regarding the effectiveness of the demonstration project to be funded with the grant in—
 - (i) providing emergency cardiopulmonary resuscitation and automated external defibrillation to cardiac arrest victims in the setting served by the demonstration project; and
 - (ii) affecting the cardiac arrest survival rate in the setting served by the demonstration project.

(d) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$5,000,000 for each of fiscal

years 2002 through 2006. Not more than 10 percent of amounts received under a grant awarded under this section may be used for administrative expenses.

§ 246. Grants and services to States

(a) Comprehensive health planning and services

(1) In order to assist the States in comprehensive and continuing planning for their current and future health needs, the Secretary is authorized during the period beginning July 1, 1966, and ending June 30, 1973, to make grants to States which have submitted, and had approved by the Secretary, State plans for comprehensive State health planning. For the purposes of carrying out this subsection, there are hereby authorized to be appropriated \$2,500,000 for the fiscal year ending June 30, 1967, \$7,000,000 for the fiscal year ending June 30, 1968, \$10,000,000 for the fiscal year ending June 30, 1969, \$15,000,000 for the fiscal year ending June 30, 1970, \$15,000,000 for the fiscal year ending June 30, 1971, \$17,000,000 for the fiscal year ending June 30, 1972, \$20,000,000 for the fiscal year ending June 30, 1973, and \$10,000,000 for the fiscal year ending June 30, 1974.

(2) In order to be approved for purposes of this subsection, a State plan for comprehensive State health planning must—

- (A) designate, or provide for the establishment of, a single State agency, which may be an interdepartmental agency, as the sole agency for administering or supervising the administration of the State's health planning functions under the plan;
- (B) provide for the establishment of a State health planning council, which shall include
