§ 247d-8. Coordinated program to improve pediatric oral health

(a) In general

The Secretary, acting through the Administrator of the Health Resources and Services Administration, shall establish a program to fund innovative oral health activities that improve the oral health of children under 6 years of age who are eligible for services provided under a Federal health program, to increase the utilization of dental services by such children, and to decrease the incidence of early childhood and baby bottle tooth decay.

(b) Grants

The Secretary shall award grants to or enter into contracts with public or private nonprofit schools of dentistry or accredited dental training institutions or programs, community dental programs, and programs operated by the Indian Health Service (including federally recognized Indian tribes that receive medical services from the Indian Health Service, urban Indian health programs funded under title V of the Indian Health Care Improvement Act [25 U.S.C. 1651 et seq.], and tribes that contract with the Indian Health Service pursuant to the Indian Self-Determination and Education Assistance Act [25 U.S.C. 450 et seq.]) to enable such schools, institutions, and programs to develop programs of oral health promotion, to increase training of oral health services providers in accordance with State practice laws, or to increase the utilization of dental services by eligible children.

(c) Distribution

In awarding grants under this section, the Secretary shall, to the extent practicable, ensure an equitable national geographic distribution of the grants, including areas of the United States where the incidence of early childhood caries is highest.

(d) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$10,000,000 for each¹ the fiscal years 2001 through 2005.

(July 1, 1944, ch. 373, title III, §320A, as added Pub. L. 106-310, div. A, title XVI, §1603, Oct. 17, 2000, 114 Stat. 1151.)

§ 247e. National Hansen's Disease Programs Center**(a) Care and treatment**

(1) At or through the National Hansen's Disease Programs Center (located in the State of Louisiana), the Secretary shall without charge provide short-term care and treatment, including outpatient care, for Hansen's disease and related complications to any person determined by the Secretary to be in need of such care and treatment. The Secretary may not at or through such Center provide long-term care for any such disease or complication.

(2) The Center referred to in paragraph (1) shall conduct training in the diagnosis and management of Hansen's disease and related complications, and shall conduct and promote the coordination of research (including clinical research), investigations, demonstrations, and studies relating to the causes, diagnosis, treatment, control, and prevention of Hansen's disease and other mycobacterial diseases and complications related to such diseases.

(3) Paragraph (1) is subject to section 211 of the Department of Health and Human Services Appropriations Act, 1998.

(b) Additional sites authorized

In addition to the Center referred to in subsection (a) of this section, the Secretary may establish sites regarding persons with Hansen's disease. Each such site shall provide for the outpatient care and treatment for Hansen's disease and related complications to any person determined by the Secretary to be in need of such care and treatment.

(c) Agency designated by Secretary

The Secretary shall carry out subsections (a) and (b) of this section acting through an agency of the Service. For purposes of the preceding sentence, the agency designated by the Secretary shall carry out both activities relating to the provision of health services and activities relating to the conduct of research.

(d) Payments to Board of Health of Hawaii

The Secretary shall make payments to the Board of Health of the State of Hawaii for the care and treatment (including outpatient care)

in its facilities of persons suffering from Hansen's disease at a rate determined by the Secretary. The rate shall be approximately equal to the operating cost per patient of such facilities, except that the rate may not exceed the comparable costs per patient with Hansen's disease for care and treatment provided by the Center referred to in subsection (a) of this section. Payments under this subsection are subject to the availability of appropriations for such purpose.

REFERENCES IN TEXT

Section 211 of the Department of Health and Human Services Appropriations Act, 1998, referred to in subsec. (a)(3), is section 211 of Pub. L. 105-78, which enacted this section and provisions set out as notes below.

CODIFICATION

Section was classified to section 255 of this title prior to its renumbering by Pub. L. 95-626.

AMENDMENTS

2002—Subsec. (a)(1). Pub. L. 107-220 substituted "National Hansen's Disease Programs Center" for "Gillis W. Long Hansen's Disease Center".

1997—Pub. L. 105-78 amended section catchline and text generally, substituting present provisions for former provisions which related to: in subsec. (a), care and treatment; and in subsec. (b), payments to Board of Health of Hawaii.

1985—Pub. L. 99-117 substituted "Hansen's disease program" for "Receipt, apprehension, detention, treatment, and release of lepers" in section catchline.

Subsec. (a). Pub. L. 99-117 amended subsec. (a) generally. Prior to amendment, subsec. (a) read as follows: "The Service shall, in accordance with regulations, receive into any hospital of the Service suitable for his accommodation any person afflicted with leprosy who presents himself for care, detention, or treatment, or who may be apprehended under subsection (b) of this section or section 264 of this title, and any person afflicted with leprosy duly consigned to the care of the Service by the proper health authority of any State. The Surgeon General is authorized, upon the request of any health authority, to send for any person within the jurisdiction of such authority who is afflicted with leprosy and to convey such person to the appropriate hospital for detention and treatment. When the transportation of any such person is undertaken for the protection of the public health the expense of such removal shall be met from funds available for the maintenance of hospitals of the Service. Such funds shall also be available, subject to regulations, for transportation of recovered indigent leper patients to their homes, including subsistence allowance while traveling. When so provided in appropriations available for any fiscal year for the maintenance of hospitals of the Service, the Surgeon General is authorized and directed to make payments to the Board of Health of Hawaii for the care and treatment in its facilities of persons afflicted with leprosy at a per diem rate, determined from time to time by the Surgeon General, which shall, subject to the availability of appropriations, be approximately equal to the per diem operating cost per patient of such
