

(3) Improving the quality, availability, and organization of health care and support services (including transportation services, attendant care, homemaker services, day or respite care, and providing counseling on financial assistance and insurance) for individuals with lupus and support services for their families.

(d) Integration with other programs

To the extent practicable and appropriate, the Secretary shall integrate the program under sections 254c-9 to 254c-13 of this title with other grant programs carried out by the Secretary, including the program under section 254b of this title.

(Pub. L. 106-505, title V, §521, Nov. 13, 2000, 114 Stat. 2343.)

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-10. Certain requirements

A grant may be made under section 254c-9 of this title only if the applicant involved makes the following agreements:

(1) Not more than 5 percent of the grant will be used for administration, accounting, reporting, and program oversight functions.

(2) The grant will be used to supplement and not supplant funds from other sources related to the treatment of lupus.

(3) The applicant will abide by any limitations deemed appropriate by the Secretary on any charges to individuals receiving services pursuant to the grant. As deemed appropriate by the Secretary, such limitations on charges may vary based on the financial circumstances of the individual receiving services.

(4) The grant will not be expended to make payment for services authorized under section 254c-9(a) of this title to the extent that payment has been made, or can reasonably be expected to be made, with respect to such services—

(A) under any State compensation program, under an insurance policy, or under any Federal or State health benefits program; or

(B) by an entity that provides health services on a prepaid basis.

(5) The applicant will, at each site at which the applicant provides services under section 254c-9(a) of this title, post a conspicuous notice informing individuals who receive the services of any Federal policies that apply to the applicant with respect to the imposition of charges on such individuals.

(Pub. L. 106-505, title V, §522, Nov. 13, 2000, 114 Stat. 2344.)

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-11. Technical assistance

The Secretary may provide technical assistance to assist entities in complying with the requirements of sections 254c-9 to 254c-13 of this title in order to make such entities eligible to receive grants under section 254c-9 of this title.

(Pub. L. 106-505, title V, §523, Nov. 13, 2000, 114 Stat. 2344.)

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-12. Definitions

For purposes of sections 254c-9 to 254c-13 of this title:

(1) Official poverty line

The term “official poverty line” means the poverty line established by the Director of the Office of Management and Budget and revised by the Secretary in accordance with section 9902(2) of this title.

(2) Secretary

The term “Secretary” means the Secretary of Health and Human Services.

(Pub. L. 106-505, title V, §524, Nov. 13, 2000, 114 Stat. 2344.)

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-13. Authorization of appropriations

For the purpose of carrying out sections 254c-9 to 254c-13 of this title, there are authorized to be appropriated such sums as may be necessary for each of the fiscal years 2001 through 2003.

(Pub. L. 106-505, title V, §525, Nov. 13, 2000, 114 Stat. 2345.)

CODIFICATION

Section was enacted as part of the Lupus Research and Care Amendments of 2000, and also as part of the Public Health Improvement Act, and not as part of the Public Health Service Act which comprises this chapter.

§ 254c-14. Telehealth network and telehealth resource centers grant programs

(a) Definitions

In this section:

(1) Director; Office

The terms “Director” and “Office” mean the Director and Office specified in subsection (c) of this section.

(2) Federally qualified health center and rural health clinic

The term “Federally qualified health center” and “rural health clinic” have the meanings given the terms in section 1395x(aa) of this title.

(3) Frontier community

The term “frontier community” shall have the meaning given the term in regulations issued under subsection (r) of this section.

(4) Medically underserved area

The term “medically underserved area” has the meaning given the term “medically underserved community” in section 295p(6) of this title.

(5) Medically underserved population

The term “medically underserved population” has the meaning given the term in section 254b(b)(3) of this title.

(6) Telehealth services

The term “telehealth services” means services provided through telehealth technologies.

(7) Telehealth technologies

The term “telehealth technologies” means technologies relating to the use of electronic information, and telecommunications technologies, to support and promote, at a distance, health care, patient and professional health-related education, health administration, and public health.

(b) Programs

The Secretary shall establish, under section 241 of this title, telehealth network and telehealth resource centers grant programs.

(c) Administration**(1) Establishment**

There is established in the Health Resources and Services Administration an Office for the Advancement of Telehealth. The Office shall be headed by a Director.

(2) Duties

The telehealth network and telehealth resource centers grant programs established under section 241 of this title shall be administered by the Director, in consultation with the State offices of rural health, State offices concerning primary care, or other appropriate State government entities.

(d) Grants**(1) Telehealth network grants**

The Director may, in carrying out the telehealth network grant program referred to in subsection (b) of this section, award grants to eligible entities for projects to demonstrate how telehealth technologies can be used through telehealth networks in rural areas, frontier communities, and medically underserved areas, and for medically underserved populations, to—

(A) expand access to, coordinate, and improve the quality of health care services;

(B) improve and expand the training of health care providers; and

(C) expand and improve the quality of health information available to health care providers, and patients and their families, for decisionmaking.

(2) Telehealth resource centers grants

The Director may, in carrying out the telehealth resource centers grant program re-

ferred to in subsection (b) of this section, award grants to eligible entities for projects to demonstrate how telehealth technologies can be used in the areas and communities, and for the populations, described in paragraph (1), to establish telehealth resource centers.

(e) Grant periods

The Director may award grants under this section for periods of not more than 4 years.

(f) Eligible entities**(1) Telehealth network grants****(A) Grant recipient**

To be eligible to receive a grant under subsection (d)(1) of this section, an entity shall be a nonprofit entity.

(B) Telehealth networks**(i) In general**

To be eligible to receive a grant under subsection (d)(1) of this section, an entity shall demonstrate that the entity will provide services through a telehealth network.

(ii) Nature of entities

Each entity participating in the telehealth network may be a nonprofit or for-profit entity.

(iii) Composition of network

The telehealth network shall include at least 2 of the following entities (at least 1 of which shall be a community-based health care provider):

(I) Community or migrant health centers or other Federally qualified health centers.

(II) Health care providers, including pharmacists, in private practice.

(III) Entities operating clinics, including rural health clinics.

(IV) Local health departments.

(V) Nonprofit hospitals, including community access hospitals.

(VI) Other publicly funded health or social service agencies.

(VII) Long-term care providers.

(VIII) Providers of health care services in the home.

(IX) Providers of outpatient mental health services and entities operating outpatient mental health facilities.

(X) Local or regional emergency health care providers.

(XI) Institutions of higher education.

(XII) Entities operating dental clinics.

(2) Telehealth resource centers grants

To be eligible to receive a grant under subsection (d)(2) of this section, an entity shall be a nonprofit entity.

(g) Applications

To be eligible to receive a grant under subsection (d) of this section, an eligible entity, in consultation with the appropriate State office of rural health or another appropriate State entity, shall prepare and submit to the Secretary an application, at such time, in such manner, and containing such information as the Secretary may require, including—

(1) a description of the project that the eligible entity will carry out using the funds provided under the grant;

(2) a description of the manner in which the project funded under the grant will meet the health care needs of rural or other populations to be served through the project, or improve the access to services of, and the quality of the services received by, those populations;

(3) evidence of local support for the project, and a description of how the areas, communities, or populations to be served will be involved in the development and ongoing operations of the project;

(4) a plan for sustaining the project after Federal support for the project has ended;

(5) information on the source and amount of non-Federal funds that the entity will provide for the project;

(6) information demonstrating the long-term viability of the project, and other evidence of institutional commitment of the entity to the project;

(7) in the case of an application for a project involving a telehealth network, information demonstrating how the project will promote the integration of telehealth technologies into the operations of health care providers, to avoid redundancy, and improve access to and the quality of care; and

(8) other such information as the Secretary determines to be appropriate.

(h) Terms; conditions; maximum amount of assistance

The Secretary shall establish the terms and conditions of each grant program described in subsection (b) of this section and the maximum amount of a grant to be awarded to an individual recipient for each fiscal year under this section. The Secretary shall publish, in a publication of the Health Resources and Services Administration, notice of the application requirements for each grant program described in subsection (b) of this section for each fiscal year.

(i) Preferences

(1) Telehealth networks

In awarding grants under subsection (d)(1) of this section for projects involving telehealth networks, the Secretary shall give preference to an eligible entity that meets at least 1 of the following requirements:

(A) Organization

The eligible entity is a rural community-based organization or another community-based organization.

(B) Services

The eligible entity proposes to use Federal funds made available through such a grant to develop plans for, or to establish, telehealth networks that provide mental health, public health, long-term care, home care, preventive, case management services, or prenatal care for high-risk pregnancies.

(C) Coordination

The eligible entity demonstrates how the project to be carried out under the grant will be coordinated with other relevant federally

funded projects in the areas, communities, and populations to be served through the grant.

(D) Network

The eligible entity demonstrates that the project involves a telehealth network that includes an entity that—

(i) provides clinical health care services, or educational services for health care providers and for patients or their families; and

(ii) is—

(I) a public library;

(II) an institution of higher education;

or

(III) a local government entity.

(E) Connectivity

The eligible entity proposes a project that promotes local connectivity within areas, communities, or populations to be served through the project.

(F) Integration

The eligible entity demonstrates that health care information has been integrated into the project.

(2) Telehealth resource centers

In awarding grants under subsection (d)(2) of this section for projects involving telehealth resource centers, the Secretary shall give preference to an eligible entity that meets at least 1 of the following requirements:

(A) Provision of services

The eligible entity has a record of success in the provision of telehealth services to medically underserved areas or medically underserved populations.

(B) Collaboration and sharing of expertise

The eligible entity has a demonstrated record of collaborating and sharing expertise with providers of telehealth services at the national, regional, State, and local levels.

(C) Broad range of telehealth services

The eligible entity has a record of providing a broad range of telehealth services, which may include—

(i) a variety of clinical specialty services;

(ii) patient or family education;

(iii) health care professional education; and

(iv) rural residency support programs.

(j) Distribution of funds

(1) In general

In awarding grants under this section, the Director shall ensure, to the greatest extent possible, that such grants are equitably distributed among the geographical regions of the United States.

(2) Telehealth networks

In awarding grants under subsection (d)(1) of this section for a fiscal year, the Director shall ensure that—

(A) not less than 50 percent of the funds awarded shall be awarded for projects in rural areas; and

(B) the total amount of funds awarded for such projects for that fiscal year shall be not less than the total amount of funds awarded for such projects for fiscal year 2001 under section 254c of this title (as in effect on the day before October 26, 2002).

(k) Use of funds

(1) Telehealth network program

The recipient of a grant under subsection (d)(1) of this section may use funds received through such grant for salaries, equipment, and operating or other costs, including the cost of—

(A) developing and delivering clinical telehealth services that enhance access to community-based health care services in rural areas, frontier communities, or medically underserved areas, or for medically underserved populations;

(B) developing and acquiring, through lease or purchase, computer hardware and software, audio and video equipment, computer network equipment, interactive equipment, data terminal equipment, and other equipment that furthers the objectives of the telehealth network grant program;

(C)(i) developing and providing distance education, in a manner that enhances access to care in rural areas, frontier communities, or medically underserved areas, or for medically underserved populations; or

(ii) mentoring, precepting, or supervising health care providers and students seeking to become health care providers, in a manner that enhances access to care in the areas and communities, or for the populations, described in clause (i);

(D) developing and acquiring instructional programming;

(E)(i) providing for transmission of medical data, and maintenance of equipment; and

(ii) providing for compensation (including travel expenses) of specialists, and referring health care providers, who are providing telehealth services through the telehealth network, if no third party payment is available for the telehealth services delivered through the telehealth network;

(F) developing projects to use telehealth technology to facilitate collaboration between health care providers;

(G) collecting and analyzing usage statistics and data to document the cost-effectiveness of the telehealth services; and

(H) carrying out such other activities as are consistent with achieving the objectives of this section, as determined by the Secretary.

(2) Telehealth resource centers

The recipient of a grant under subsection (d)(2) of this section may use funds received through such grant for salaries, equipment, and operating or other costs for—

(A) providing technical assistance, training, and support, and providing for travel expenses, for health care providers and a range of health care entities that provide or will provide telehealth services;

(B) disseminating information and research findings related to telehealth services;

(C) promoting effective collaboration among telehealth resource centers and the Office;

(D) conducting evaluations to determine the best utilization of telehealth technologies to meet health care needs;

(E) promoting the integration of the technologies used in clinical information systems with other telehealth technologies;

(F) fostering the use of telehealth technologies to provide health care information and education for health care providers and consumers in a more effective manner; and

(G) implementing special projects or studies under the direction of the Office.

(l) Prohibited uses of funds

An entity that receives a grant under this section may not use funds made available through the grant—

(1) to acquire real property;

(2) for expenditures to purchase or lease equipment, to the extent that the expenditures would exceed 40 percent of the total grant funds;

(3) in the case of a project involving a telehealth network, to purchase or install transmission equipment (such as laying cable or telephone lines, or purchasing or installing microwave towers, satellite dishes, amplifiers, or digital switching equipment);

(4) to pay for any equipment or transmission costs not directly related to the purposes for which the grant is awarded;

(5) to purchase or install general purpose voice telephone systems;

(6) for construction; or

(7) for expenditures for indirect costs (as determined by the Secretary), to the extent that the expenditures would exceed 15 percent of the total grant funds.

(m) Collaboration

In providing services under this section, an eligible entity shall collaborate, if feasible, with entities that—

(1)(A) are private or public organizations, that receive Federal or State assistance; or

(B) are public or private entities that operate centers, or carry out programs, that receive Federal or State assistance; and

(2) provide telehealth services or related activities.

(n) Coordination with other agencies

The Secretary shall coordinate activities carried out under grant programs described in subsection (b) of this section, to the extent practicable, with Federal and State agencies and nonprofit organizations that are operating similar programs, to maximize the effect of public dollars in funding meritorious proposals.

(o) Outreach activities

The Secretary shall establish and implement procedures to carry out outreach activities to advise potential end users of telehealth services in rural areas, frontier communities, medically underserved areas, and medically underserved populations in each State about the grant programs described in subsection (b) of this section.

(p) Telehealth

It is the sense of Congress that, for purposes of this section, States should develop reciprocity

agreements so that a provider of services under this section who is a licensed or otherwise authorized health care provider under the law of 1 or more States, and who, through telehealth technology, consults with a licensed or otherwise authorized health care provider in another State, is exempt, with respect to such consultation, from any State law of the other State that prohibits such consultation on the basis that the first health care provider is not a licensed or authorized health care provider under the law of that State.

(q) Report

Not later than September 30, 2005, the Secretary shall prepare and submit to the appropriate committees of Congress a report on the progress and accomplishments of the grant programs described in subsection (b) of this section.

(r) Regulations

The Secretary shall issue regulations specifying, for purposes of this section, a definition of the term “frontier area”. The definition shall be based on factors that include population density, travel distance in miles to the nearest medical facility, travel time in minutes to the nearest medical facility, and such other factors as the Secretary determines to be appropriate. The Secretary shall develop the definition in consultation with the Director of the Bureau of the Census and the Administrator of the Economic Research Service of the Department of Agriculture.

(s) Authorization of appropriations

There are authorized to be appropriated to carry out this section—

(1) for grants under subsection (d)(1) of this section, \$40,000,000 for fiscal year 2002, and such sums as may be necessary for each of fiscal years 2003 through 2006; and

(2) for grants under subsection (d)(2) of this section, \$20,000,000 for fiscal year 2002, and such sums as may be necessary for each of fiscal years 2003 through 2006.

(July 1, 1944, ch. 373, title III, §330I, as added Pub. L. 107-251, title II, §212, Oct. 26, 2002, 116 Stat. 1632; amended Pub. L. 108-163, §2(c), Dec. 6, 2003, 117 Stat. 2021; Pub. L. 113-55, title I, §103(a), Nov. 27, 2013, 127 Stat. 642.)

AMENDMENTS

2013—Subsec. (i)(1)(B). Pub. L. 113-55 substituted “case management services, or prenatal care for high-risk pregnancies” for “or case management services”.

2003—Subsec. (a)(4). Pub. L. 108-163, §2(c)(1), substituted “section 295p(6)” for “section 295p”.

Subsec. (c)(1). Pub. L. 108-163, §2(c)(2), substituted “Health Resources and Services Administration” for “Health and Resources and Services Administration”.

EFFECTIVE DATE OF 2003 AMENDMENT

Amendments by Pub. L. 108-163 deemed to have taken effect immediately after the enactment of Pub. L. 107-251, see section 3 of Pub. L. 108-163, set out as a note under section 233 of this title.

§ 254c-15. Rural emergency medical service training and equipment assistance program

(a) Grants

The Secretary, acting through the Administrator of the Health Resources and Services Ad-

ministration (referred to in this section as the “Secretary”) shall award grants to eligible entities to enable such entities to provide for improved emergency medical services in rural areas.

(b) Eligibility

To be eligible to receive a grant under this section, an entity shall—

(1) be—

(A) a State emergency medical services office;

(B) a State emergency medical services association;

(C) a State office of rural health;

(D) a local government entity;

(E) a State or local ambulance provider; or

(F) any other entity determined appropriate by the Secretary; and

(2) prepare and submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, that includes—

(A) a description of the activities to be carried out under the grant; and

(B) an assurance that the eligible entity will comply with the matching requirement of subsection (e) of this section.

(c) Use of funds

An entity shall use amounts received under a grant made under subsection (a) of this section, either directly or through grants to emergency medical service squads that are located in, or that serve residents of, a nonmetropolitan statistical area, an area designated as a rural area by any law or regulation of a State, or a rural census tract of a metropolitan statistical area (as determined under the most recent Goldsmith Modification, originally published in a notice of availability of funds in the Federal Register on February 27, 1992, 57 Fed. Reg. 6725), to—

(1) recruit emergency medical service personnel;

(2) recruit volunteer emergency medical service personnel;

(3) train emergency medical service personnel in emergency response, injury prevention, safety awareness, and other topics relevant to the delivery of emergency medical services;

(4) fund specific training to meet Federal or State certification requirements;

(5) develop new ways to educate emergency health care providers through the use of technology-enhanced educational methods (such as distance learning);

(6) acquire emergency medical services equipment, including cardiac defibrillators;

(7) acquire personal protective equipment for emergency medical services personnel as required by the Occupational Safety and Health Administration; and

(8) educate the public concerning cardiopulmonary resuscitation, first aid, injury prevention, safety awareness, illness prevention, and other related emergency preparedness topics.

(d) Preference

In awarding grants under this section the Secretary shall give preference to—

(1) applications that reflect a collaborative effort by 2 or more of the entities described in
