

§ 288-2. Loan repayment program for research with respect to contraception and infertility

(a) Establishment

The Secretary, in consultation with the Director of the Eunice Kennedy Shriver National Institute of Child Health and Human Development, shall establish a program of entering into contracts with qualified health professionals (including graduate students) under which such health professionals agree to conduct research with respect to contraception, or with respect to infertility, in consideration of the Federal Government agreeing to repay, for each year of such service, not more than \$35,000 of the principal and interest of the educational loans of such health professionals.

(b) Contracts, obligated service, breach of contract

The provisions of sections 254l-1, 254m, and 254o of this title shall, except as inconsistent with subsection (a) of this section, apply to the program established in subsection (a) of this section to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in subpart III of part D of subchapter II of this chapter.

(c) Availability of funds

Amounts available for carrying out this section shall remain available until the expiration of the second fiscal year beginning after the fiscal year for which the amounts were made available.

(July 1, 1944, ch. 373, title IV, §487B, as added Pub. L. 103-43, title X, §1002, June 10, 1993, 107 Stat. 166; amended Pub. L. 105-392, title IV, §410(b), Nov. 13, 1998, 112 Stat. 3589; Pub. L. 110-154, §1(b)(8), Dec. 21, 2007, 121 Stat. 1827.)

AMENDMENTS

2007—Subsec. (a). Pub. L. 110-154, which directed substitution of “Eunice Kennedy Shriver National Institute of Child Health and Human Development” for “National Institute on Child Health and Human Development”, was executed by making the substitution for “National Institute of Child Health and Human Development” to reflect the probable intent of Congress.

1998—Subsec. (a). Pub. L. 105-392 substituted “\$35,000” for “\$20,000”.

§ 288-3. Loan repayment program for research generally

(a) In general

(1) Authority for program

Subject to paragraph (2), the Secretary shall carry out a program of entering into contracts with appropriately qualified health professionals under which such health professionals agree to conduct research, as employees of the National Institutes of Health, in consideration of the Federal Government agreeing to repay, for each year of such service, not more than \$35,000 of the principal and interest of the educational loans of such health professionals.

(2) Limitation

The Secretary may not enter into an agreement with a health professional pursuant to paragraph (1) unless such professional—

(A) has a substantial amount of educational loans relative to income; and

(B) agrees to serve as an employee of the National Institutes of Health for purposes of paragraph (1) for a period of not less than 3 years.

(b) Applicability of certain provisions

With respect to the National Health Service Corps Loan Repayment Program established in subpart III of part D of subchapter II of this chapter, the provisions of such subpart shall, except as inconsistent with subsection (a) of this section, apply to the program established in such subsection (a) of this section in the same manner and to the same extent as such provisions apply to the National Health Service Corps Loan Repayment Program established in such subpart.

(July 1, 1944, ch. 373, title IV, §487C, as added Pub. L. 103-43, title XVI, §1621, June 10, 1993, 107 Stat. 182; amended Pub. L. 105-392, title IV, §410(c), Nov. 13, 1998, 112 Stat. 3589.)

AMENDMENTS

1998—Subsec. (a)(1). Pub. L. 105-392 substituted “\$35,000” for “\$20,000”.

§ 288-4. Undergraduate scholarship program regarding professions needed by National Research Institutes

(a) Establishment of program

(1) In general

Subject to section 288(a)(1)(C) of this title, the Secretary, acting through the Director of NIH, may carry out a program of entering into contracts with individuals described in paragraph (2) under which—

(A) the Director of NIH agrees to provide to the individuals scholarships for pursuing, as undergraduates at accredited institutions of higher education, academic programs appropriate for careers in professions needed by the National Institutes of Health; and

(B) the individuals agree to serve as employees of the National Institutes of Health, for the period described in subsection (c) of this section, in positions that are needed by the National Institutes of Health and for which the individuals are qualified.

(2) Individuals from disadvantaged backgrounds

The individuals referred to in paragraph (1) are individuals who—

(A) are enrolled or accepted for enrollment as full-time undergraduates at accredited institutions of higher education; and

(B) are from disadvantaged backgrounds.

(b) Facilitation of interest of students in careers at National Institutes of Health

In providing employment to individuals pursuant to contracts under subsection (a)(1) of this section, the Director of NIH shall carry out activities to facilitate the interest of the individuals in pursuing careers as employees of the National Institutes of Health.

(c) Period of obligated service

(1) Duration of service

For purposes of subparagraph (B) of subsection (a)(1) of this section, the period of

service for which an individual is obligated to serve as an employee of the National Institutes of Health is, subject to paragraph (2)(A), 12 months for each academic year for which the scholarship under such subsection is provided.

(2) Schedule for service

(A) Subject to subparagraph (B), the Director of NIH may not provide a scholarship under subsection (a) of this section unless the individual applying for the scholarship agrees that—

(i) the individual will serve as an employee of the National Institutes of Health full-time for not less than 10 consecutive weeks of each year during which the individual is attending the educational institution involved and receiving such a scholarship;

(ii) the period of service as such an employee that the individual is obligated to provide under clause (i) is in addition to the period of service as such an employee that the individual is obligated to provide under subsection (a)(1)(B) of this section; and

(iii) not later than 60 days after obtaining the educational degree involved, the individual will begin serving full-time as such an employee in satisfaction of the period of service that the individual is obligated to provide under subsection (a)(1)(B) of this section.

(B) The Director of NIH may defer the obligation of an individual to provide a period of service under subsection (a)(1)(B) of this section, if the Director determines that such a deferral is appropriate.

(3) Applicability of certain provisions relating to appointment and compensation

For any period in which an individual provides service as an employee of the National Institutes of Health in satisfaction of the obligation of the individual under subsection (a)(1)(B) of this section or paragraph (2)(A)(i), the individual may be appointed as such an employee without regard to the provisions of title 5 relating to appointment and compensation.

(d) Provisions regarding scholarship

(1) Approval of academic program

The Director of NIH may not provide a scholarship under subsection (a) of this section for an academic year unless—

(A) the individual applying for the scholarship has submitted to the Director a proposed academic program for the year and the Director has approved the program; and

(B) the individual agrees that the program will not be altered without the approval of the Director.

(2) Academic standing

The Director of NIH may not provide a scholarship under subsection (a) of this section for an academic year unless the individual applying for the scholarship agrees to maintain an acceptable level of academic standing, as determined by the educational institution involved in accordance with regulations issued by the Secretary.

(3) Limitation on amount

The Director of NIH may not provide a scholarship under subsection (a) of this section for an academic year in an amount exceeding \$20,000.

(4) Authorized uses

A scholarship provided under subsection (a) of this section may be expended only for tuition expenses, other reasonable educational expenses, and reasonable living expenses incurred in attending the school involved.

(5) Contract regarding direct payments to institution

In the case of an institution of higher education with respect to which a scholarship under subsection (a) of this section is provided, the Director of NIH may enter into a contract with the institution under which the amounts provided in the scholarship for tuition and other educational expenses are paid directly to the institution.

(e) Penalties for breach of scholarship contract

The provisions of section 254o of this title shall apply to the program established in subsection (a) of this section to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in section 254l-1 of this title.

(f) Requirement of application

The Director of NIH may not provide a scholarship under subsection (a) of this section unless an application for the scholarship is submitted to the Director and the application is in such form, is made in such manner, and contains such agreements, assurances, and information as the Director determines to be necessary to carry out this section.

(g) Availability of authorization of appropriations

Amounts appropriated for a fiscal year for scholarships under this section shall remain available until the expiration of the second fiscal year beginning after the fiscal year for which the amounts were appropriated.

(July 1, 1944, ch. 373, title IV, §487D, as added Pub. L. 103-43, title XVI, §1631, June 10, 1993, 107 Stat. 183.)

§ 288-5. Loan repayment program regarding clinical researchers from disadvantaged backgrounds

(a) Implementation of program

(1) In general

Subject to section 288(a)(1)(C) of this title, the Secretary, acting through the Director of NIH may, subject to paragraph (2), carry out a program of entering into contracts with appropriately qualified health professionals who are from disadvantaged backgrounds under which such health professionals agree to conduct clinical research in consideration of the Federal Government agreeing to pay, for each year of such service, not more than \$35,000 of the principal and interest of the educational loans of the health professionals.
