(b) Restrictions

Amounts described in subsection (a) of this section may not be used for—

- (1) inpatient services, other than inpatient services provided to children with special health care needs or to high-risk pregnant women and infants and such other inpatient services as the Secretary may approve;

- (3) the purchase or improvement of land, the purchase, construction, or permanent improvement (other than minor remodeling) of any building or other facility, or the purchase of major medical equipment;

- (5) providing funds for research or training to any entity other than a public or nonprofit private entity; or
- (6) payment for any item or service (other than an emergency item or service) furnished—

(A) by an individual or entity during the period when such individual or entity is excluded under this subchapter or subchapter XVIII, XIX, or XX of this chapter pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title, or

The Secretary may waive the limitation contained in paragraph (3) upon the request of a State if the Secretary finds that there are extraordinary circumstances to justify the waiver and that granting the waiver will assist in carrying out this subchapter.
